EXPERIENCE

Founder & CEO, PriceKeel May 2026 - Present

- Founded **PriceKeel**, a decision-integrity layer for B2B SaaS deal pricing, building the **investor pipeline and data room** myself while raising its first round and running early pilots as the sole operator.
- Runs the **CRM and CPQ, forecast and pipeline reviews, deal approvals and vendor relationships** end to end, the single-source-of-truth loop a Founder's Office is built to own across Finance and GTM.
- Designed the **guardrail engine and audit trail** that give Finance and Sales leadership one explainable, **budget-vs-actuals** view of every pricing decision.

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Turns scattered input from **Sales, Engineering and Accounts** into one semiconductor market-sizing view, catching misaligned priorities before they stall a decision.
- Owns the **OKR cadence and leadership decks** behind weekly and quarterly business reviews, the operating rhythm a Founder's Office runs company-wide.
- Carries **P&L and revenue targets** for the role, the same **budget-vs-actuals** ownership a Founder's Office speaks for the CEO on when the stakes are high.
- Automates repetitive analysis work with **AI agents built on Claude**, the build-it-yourself habit a founder-run company's systems and documentation lean on.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Recovered **$700K+ in margin in two quarters** by turning that dashboard into a negotiated outcome with distributors and channel partners instead of a stalled report.
