EXPERIENCE

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Partners with **Sales, Engineering and Accounts** to size the semiconductor market, synthesizing technical specs and field signal into one market-intelligence view that shapes product strategy.
- Builds **competitive, value-based pricing and forecasting models** across multiple product groups, defining customer profiles that keep positioning aligned to the buying cycle and its inflection points.
- Automates repetitive market and competitive analysis with **AI agents built on Claude**, carrying P&L and revenue targets for the role.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Drove **+12% YoY revenue and +8% market share** through price-realignment decisions informed by competitive benchmarking across 10+ players.
- Briefed **senior executives** on multimillion-dollar customer quotes and site-transition strategy, translating technical account complexity into revenue-protecting calls.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Built **KPI frameworks in SQL and GA4** across 50,000+ connected industrial devices, turning device-level data architecture into market intelligence that lifted feature adoption 18%.
- Owned **end-to-end GTM** for a new sensing product line across North America and Europe (positioning, messaging, launch naming and channel), driving $2M+ first-year revenue.
- Turned **technical specs into customer value propositions** for OEM and distributor buyers, lifting conversion 15% on priority launches.
- Ran **30+ discovery interviews** with OEM and distributor technical buyers to shape ideal customer profiles, feeding insights that raised CSAT 22%.
- Armed **50+ reps** with field enablement content (decks, case studies, battlecards), improving win rates 30% against entrenched incumbents.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Owned **$100K/month marketing budgets** across multiple business units, building the plans and forecasts presented to leadership for approval.
- Turned **customer research** into fast campaign and messaging fixes, lifting conversion 20% and cutting CPA 15% within the quarter.
- Raised **organic search visibility 35%** by closing keyword-strategy gaps and building SEO partnerships.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- Cut **client churn 50%** across an 8-person team managing 8 accounts through proactive account strategy and vertical playbooks.
- Delivered **3x ROAS** for a leading fashion brand via full-funnel restructuring, then translated the underlying campaign data into board-ready recommendations for enterprise stakeholders.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Delivered **16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.
- Bridged **regional marketing managers**, localization and analytics teams as the main research liaison, grounding every campaign decision in market data.

PROJECTS

SwipeHire

- Shipped **an AI job-matching platform** zero-to-one (Python, OpenAI API, React), owning the GA4 and GTM analytics stack instrumenting every user event.
- Tracked **funnel and cohort data** through KPI dashboards, running 8+ A/B tests and 12+ user interviews that lifted activation 25% for the platform's first 50+ users.
- Modeled **3 subscription pricing tiers** from competitor benchmarks and willingness-to-pay signals gathered during customer research.
