EXPERIENCE

Founder & CEO, PriceKeel

May 2026 - Present

- Set up and runs the company's **CRM and CPQ configuration**, including deal approvals and forecast and pipeline reviews, the same systems ownership a renewals seat holds over contract terms, pricing exceptions and sign-off data.
- Built the **audit trail** that gives Finance an explainable record behind every pricing exception, the same stakeholder-facing documentation a contract renegotiation needs when it is reviewed across Sales and Finance.

Strategic Marketing III, Applied Materials

Jun 2026 - Present

- Sizes the **semiconductor market** with Sales, Engineering and Accounts, turning field and technical input into one forecast view used across multiple product groups.
- Builds **forecasting and market-sizing models** across multiple product groups and runs OKRs with weekly and quarterly business reviews, the same forecast cadence a renewals book runs against bookings and backlog.
- Automates repetitive analysis work with **AI agents built on Claude**, carrying P&L and revenue targets for a global semiconductor equipment business.

Pricing Lead, Sensata Technologies

Jul 2025 - May 2026

- Recovered **\$700K+ in margin in 2 quarters** leading the Bleeders and Leakers program, renegotiating distributor contract terms deal by deal using competitive gaps and customer willingness-to-pay data.
- Raised **distributor and channel-partner margins from 53% to 61%** in under 2 quarters by repricing and re-contracting parts sold through distribution, the same renegotiation judgment a renewals book applies at contract expiry.
- Built the **FY2026 Bleeders and Leakers Power BI dashboard**, reconciling 1,200 pricing opportunities against a \$627M target across 3 regions, 4 product families and 20 product lines to surface \$433M in margin gaps for leadership.
- Modeled **AP26 revenue models** and multimillion-dollar customer quotes with senior executives, running stakeholder alignment across Sales, Finance and distribution during site-transition negotiations.

Product & Growth Marketing, Sensata Technologies

Sep 2024 - Jun 2025

- Coordinated **GTM timing for new sensing products** across North America and Europe with Engineering and regional sales teams, driving \$2M+ first-year revenue.
- Produced **sales enablement** materials (decks, case studies) for 50+ reps, improving win rates 30%, the same stakeholder-facing content a renewals seat builds for account teams.

Digital Marketing Manager, Plug Power

Oct 2022 - Jul 2023

- Presented **marketing budgets of \$100K/month** across multiple business units to leadership for quarterly approval, building the plans and forecasts behind them.
- Automated the **Mar-Tech stack** (Salesforce, Adobe Analytics, GA, Google Tag Manager) for closed-loop, cross-system reporting.
- Owned **keyword research and bid strategy** across omni-channel campaigns, reconciling weekly spend against budget in Excel and cutting wasted spend 15%.

Customer Success Manager, Pixis (AI Platform)

Jul 2021 - Sep 2022

- Cut **client churn 50%** through proactive retention strategy, channel diversification and vertical playbooks across an 8-client, \$15K-\$90K/month portfolio.
- Carried **P&L and revenue targets** managing an 8-person team, keeping enterprise case studies and sales materials current to support a 20% improvement in sales team performance.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 - Jun 2021

- Ran **database audits** and built reporting dashboards in SQL and Excel, improving data accessibility 30% for regional teams.
- Lifted a B2B startup's **conversion rate 36%** by closing marketing-to-sales process gaps.

PROJECTS

Database & Workforce Analytics (SQL)

- Designed and executed **SQL queries** against employee datasets to extract headcount, attrition and performance metrics, the same SQL and Excel reporting habit a renewals seat applies to contract, pipeline and churn data.
