EXPERIENCE

Strategic Marketing III, Applied Materials Jun 2026 - Present

- **Sizes the semiconductor market** in partnership with Sales, Engineering and Accounts, turning field and technical input into the segment-level demand and TAM view that drives planning across multiple product groups.
- **Builds competitive, value-based pricing** for a fast-growing market, forecasting its inflection points so the go-to-market plan keeps pace with demand before a product reaches the field.
- **Builds forecasting and market sizing models** across multiple product groups, the same discipline that turns demand signals into a plan Sales and Engineering can act on.
- **Automates repetitive market and competitive analysis** with AI agents built on Claude, carrying P&L and revenue targets and feeding findings into the leadership decks and weekly/quarterly reviews that keep the group's plan on track.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- **Ran competitive benchmarking across 10+ key players** to model market share and realign pricing by segment, driving +12% YoY revenue and +8% market share for a multi-$100M Industrial BU.
- **Built multimillion-dollar customer quotes** with senior executives, arming the field with the pricing data and competitive analysis it needed to negotiate, while repricing distribution to raise channel-partner margins from 53% to 61% in under 2 quarters.
- **Tracked 1,200 pricing opportunities** against a $627M target across 3 regions and 20 product lines in a dedicated dashboard, surfacing $433M in margin gaps for leadership to prioritize.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- **Took ownership of go-to-market** for a new sensing product line across North America and Europe (positioning, pricing, channel, launch), driving $2M+ in first-year revenue through OEM and distributor accounts.
- **Built sales enablement and customer-facing presentations** (decks, case studies) for 50+ reps, improving win rates 30%.
- **Represented the business in 30+ customer conversations** with OEMs and distributors as the point person on market and segment trends, raising CSAT 22% on the back of that feedback.
- **Benchmarked competitors across EMEA and the US** to model market share and sharpen positioning, surfacing revenue opportunities in purchasing patterns and competitor share shifts.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- **Owned $100K/month marketing budgets** across multiple business units, building the plans and forecasts presented to the leadership team for approval.
- **Turned customer research into fast campaign changes**, lifting conversion 20% and cutting cost-per-acquisition 15%.
- **Closed keyword-strategy shortfalls** to raise organic search visibility 35%, reducing wasted spend 15% across omni-channel campaigns.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- **Cut client churn 50%** across an 8-person team managing 8 accounts ($15K-$90K/month spend each) through proactive account strategy and vertical playbooks.
- **Kept enterprise case studies and sales materials current**, supporting a 20% improvement in sales team performance.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- **Delivered 16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.

PROJECTS

Safran Market Sizing & GTM (Simon Vision Consulting)

- **Led a 5-consultant team** sizing the market from 170 facilities to a SAM of 28, with personas across 4 verticals (aerospace, defense, healthcare, scientific research), positioning for 3 B2B product lines.
- **Analyzed 150+ target facilities and 10+ competitors**, assessing pricing strategy and the financial feasibility of market entry, then presented the model to Safran leadership.
