- Designed the **guardrail engine and audit trail** that gives Finance and Sales leadership one auditable number for every pricing decision, the same rigor a CEO dashboard needs to hold up.
- Runs **investor reporting and fundraising** for the company's first round, writing board materials and due-diligence answers as the sole operator running the process end to end.

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Turns ambiguous input from **Sales, Engineering and Accounts** into one market-sizing view, the structured cross-functional synthesis a CEO's office runs across every function.

- Runs the **OKR cadence and leadership decks** behind weekly and quarterly business reviews, keeping cross-functional teams aligned on one operating rhythm.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026
