EXPERIENCE

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Builds **competitive, value-based pricing** for the semiconductor market, partnering with Sales, Engineering and Accounts to turn scattered field input into one strategic view that lands with executives.
- Forecasts **market inflection points** across multiple product groups, the same use-case prioritization call an Enterprise AI GTM plan runs industry by industry.
- Automates **recurring competitive and market analysis with AI agents built on Claude**, the technical fluency and comfort partnering with AI-native systems this seat bonus-asks for.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Owned **end-to-end GTM strategy** (positioning, pricing, channel, launch) for new sensing products built from scratch, driving $2M+ first-year revenue across North America and Europe.
- Armed **50+ reps with sales enablement** (battlecards, case studies) for live launches, lifting win rates 30%, the exact collateral an enterprise sales team needs to close and grow accounts.
- Turned **deep technical sensor features into positioning enterprise buyers understood**, lifting conversion 15% on priority launches.
- Ran **30+ customer interviews** with OEMs and distributors to ground positioning in direct feedback instead of internal assumptions, raising CSAT 22%.
- Tracked **competitor moves and share across EMEA and the US**, keeping competitive battlecards and the launch narrative current for the field.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Modeled **AP26 revenue scenarios and multimillion-dollar customer quotes** directly with senior executives, the cross-level influence a Fortune 500 enterprise GTM motion runs on.
- Drove **+12% YoY revenue and +8% market share** via price realignment informed by competitive benchmarking across 10+ players.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Coordinated **multi-stakeholder campaign launches** on $100K/month budgets across multiple business units, building the plans and forecasts leadership signed off on.
- Raised **organic search visibility 35%** and cut CPA 15% by closing keyword-strategy gaps and building SEO content partnerships.
- Automated the **WordPress and Pardot lead flow**, cutting cost per lead 50% and tying campaign performance to MQL quality and stage 1 pipeline opportunities.

Customer Success, Pixis (AI Platform) Jul 2021 - Sep 2022

- Kept **enterprise case studies and sales materials current** across an 8-client, $15K-$90K/month portfolio, improving sales team performance 20%.
- Cut **client churn 50%** through vertical account playbooks and proactive account strategy.
- Delivered **3x ROAS in one month** for a leading fashion brand via a full-funnel restructuring that became a repeatable account playbook.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Liaised **between regional marketing, localization and analytics teams**, turning market research into go-to-market input that lifted a B2B client's conversion 36%.
- Delivered **16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.

PROJECTS

SwipeHire

- Set the **GTM playbook from zero** for an AI job-matching platform (Python, OpenAI API, React), owning positioning, messaging and launch with no existing playbook to inherit.
- Ran **competitor teardowns** (Jobright and others) to define ICP and positioning, then modeled 3 subscription pricing tiers from willingness-to-pay research.
- Built **the GTM analytics stack** (GA4, GTM, funnel dashboards), running 8+ A/B tests and 12+ user interviews that lifted activation 25%.
