EXPERIENCE

Founder & CEO, PriceKeel

May 2026 - Present

- Built **PriceKeel as its founder and CEO**, owning product, fundraising and the investor narrative alongside the company's first pilots, with exposure to every part of the business the same way a founder's extension needs across strategy and operations.
- Designed the **guardrail engine and audit trail** that gives Finance and Sales leadership one auditable system for pricing decisions, the kind of decision-ready mechanism a fast-growing health-tech business needs from its own data.
- Runs **pilots with early customers** while raising the company's first round, structuring ambiguous, cross-functional problems into a clear plan under limited context and incomplete information.

Strategic Marketing III, Applied Materials

Jun 2026 - Present

- Turns **input from Sales, Engineering and Accounts** into one market-sizing view for a fast-growing semiconductor segment, the same cross-functional synthesis a founder's office needs across growth, clinical and finance data.
- Runs the **OKR cadence and leadership decks** behind weekly and quarterly business reviews, consolidating data and the business narrative the way board decks and investor updates require.
- Carries **P&L and revenue targets** for the role while building forecasting and value-based pricing models across multiple product groups.
- Automates repetitive research and analysis with **AI agents built on Claude**, cutting manual synthesis out of a recurring reporting cycle.

Pricing Lead, Sensata Technologies

Jul 2025 - May 2026

- Shaped **AP26 revenue models and site-transition strategy** directly with senior executives, turning decisions into multimillion-dollar customer quotes.
- Recovered **\$700K+ in margin in 2 quarters** by taking the Bleeders and Leakers program from a vague mandate to a negotiated outcome, removing blockers across Sales, Finance and distribution.
- Built the **leadership decks and OKR cadence** (weekly and quarterly reviews) that kept a multi-\$100M business aligned on P&L targets.
- Promoted to Pricing Lead in **10 months** after raising distributor and channel-partner margins from 53% to 61%.

Product & Growth Marketing, Sensata Technologies
