EXPERIENCE

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Translates **complex technical specifications** into customer-facing value for a fast-growing, highly regulated semiconductor market, the same evidence-to-message discipline a clinical indication needs to reach adoption.
- Sizes the **semiconductor market** in partnership with Sales, Engineering and Accounts, turning field and technical input into one market view that shapes what the field actually hears.
- Automates **repetitive analysis work** with AI agents built on Claude, carrying P&L and revenue targets and running the OKRs behind each leadership review.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Owned the **GTM for new sensing products** across North America and Europe (positioning, pricing, channel, launch) end to end, driving $2M+ in first-year revenue.
- Equipped the **sales enablement library** (decks, case studies) for continued education of 50+ reps, lifting win rates 30%.
- Mapped **barriers to adoption** across 30+ customer interviews with OEMs and distributors before writing a line of messaging, feeding findings into product enhancements that raised CSAT 22%.
- Shaped the **positioning and messaging** that turned technical sensing capabilities into customer value propositions, lifting conversion 15% on priority launches.
- Modeled **KPI frameworks in SQL and GA4** across 50K+ connected devices, identifying the high-intent cohorts that lifted feature adoption 18%.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Advised **senior executives** on multimillion-dollar customer quotes and AP26 revenue models, the exec-facing cadence a Field Advisory Board partnership expects.
- Ran **leadership decks** and OKRs with weekly and quarterly business reviews, the data-driven measurement cadence this seat sets for its own marketing programs.
- Lifted **revenue 12% YoY** and market share 8% through price realignment built on competitive benchmarking across 10+ key players.

Product Marketing Intern, Sensata Technologies Jul 2024 - Aug 2024

- Analyzed the **top three competitors'** products, promotions and positioning, and built Power BI dashboards turning competitive research into distribution-strategy recommendations.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Presented **$100K/month marketing budgets** across multiple business units, building the plans and forecasts leadership approved.
- Drove a **20% increase in conversion** and a 15% reduction in CPA through customer research, then raised organic search visibility 35%.
- Automated the **WordPress and Pardot lead flow**, cutting cost per lead 50% and tying campaign performance to pipeline handoff.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- Carried **P&L and revenue targets** for an 8-client portfolio, managing an 8-person team on $15K-$90K/month budgets per client.
- Cut **client churn 50%** through proactive account strategy and vertical playbooks, keeping enterprise case studies and sales materials current for a 20% lift in sales performance.
- Fed **voice-of-customer findings** back to product and senior management across an 8-client, international portfolio.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Delivered **16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.
- Lifted a **B2B e-commerce startup's conversion rate 36%** and revenue 25% as the liaison between regional marketing, localization and analytics teams.
- Ran **database audits** and built dashboards that improved data accessibility 30%, closing SEO gaps through site audits on backlinks and internal linking.

PROJECTS

SwipeHire

- Built **SwipeHire**, an AI job-matching platform (Python, OpenAI API, React), zero to one: crafted positioning from competitor teardowns and ran 8+ A/B tests that lifted activation 25%.
