EXPERIENCE

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Partners with **Sales, Engineering and Accounts** to size the semiconductor market, turning technical specs and field input into one view of enterprise buying trends.
- Builds **competitive, value-based pricing** for a fast-growing technical market, forecasting inflection points across multiple product groups so pricing and positioning track the buying cycle.
- Automates repetitive market and competitive analysis with **AI agents built on Claude**, carrying P&L and revenue targets for the role.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Drove **+12% YoY revenue and +8% market share** through price-realignment decisions informed by competitive benchmarking across 10+ players.
- Briefed **senior executives** on multimillion-dollar customer quotes and site-transition strategy, translating technical account complexity into revenue-protecting calls.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Owned **end-to-end GTM execution** for new sensing products across North America and Europe (positioning, pricing, channel, launch), driving $2M+ first-year revenue.
- Built **content and positioning** that turned technical specs into buyer-ready messaging technical and executive buyers could trust, lifting conversion 15% on priority launches.
- Ran **30+ structured interviews** with OEM and distributor engineering buyers to surface adoption blockers, feeding insights that raised CSAT 22%.
- Built **sales enablement content** (first-call decks, case studies, competitive battlecards) for 50+ reps, lifting win rates 30% against entrenched incumbent suppliers.
- Tracked **competitor and customer moves** across EMEA and the US, surfacing revenue opportunities that fed +35% qualified-lead growth on launch campaigns.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Owned **$100K/month marketing budgets** across multiple business units, building the plans and forecasts presented to leadership for approval.
- Turned **customer research** into fast campaign and messaging fixes, lifting conversion 20% and cutting CPA 15% within the quarter.
- Raised **organic search visibility 35%** by closing keyword-strategy gaps and building SEO partnerships.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- Cut **client churn 50%** across an 8-person team managing 8 accounts through proactive account strategy and vertical playbooks.
- Ran **retail media (Amazon Ads, Criteo)** and paid search for D2C clients, plus iOS app user acquisition via Appsflyer and Adjust.
- Delivered **3x ROAS in one month** for a leading fashion brand via full-funnel restructuring, translating the underlying campaign data into board-ready recommendations for enterprise stakeholders.
- Kept **enterprise case studies and sales content** current, supporting a 20% improvement in sales team performance.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Delivered **16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.
- Bridged **regional marketing managers**, localization and analytics teams as the main research liaison, grounding every campaign decision in market data.

PROJECTS

SwipeHire

- Shipped a **web-based AI job-matching platform** zero-to-one (Python, OpenAI API, React), owning the GA4 and GTM analytics stack behind it.
- Tested **8+ A/B variants and interviewed 12+ users** on the onboarding funnel, lifting activation 25% for the platform's first 50+ users.
- Modeled **3 subscription pricing tiers** from competitor benchmarks and willingness-to-pay signals gathered during customer research.
