EXPERIENCE

Founder & CEO, PriceKeel May 2026 - Present

- Designing PriceKeel's **guardrail engine from zero**, the approval-matrix equivalent that recommends an explainable discount guardrail learned from each company's own closed-won and closed-lost deals, no pre-existing playbook to inherit.
- Built the **audit trail** that gives Finance a revenue-recognition-ready record behind every discount decision, the deal-review documentation a first Deal Desk hire has to invent before anyone can enforce it.
- Runs the company's **CRM, CPQ configuration and deal-approval workflow** end to end while running pilots and raising its first round, the same build-it-all first 90 days this role is scoped for.

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Sized the **semiconductor market** in partnership with Sales, Engineering and Accounts, turning field and technical input into one view of revenue risk and pricing opportunity.
- Builds **competitive, value-based pricing** for a fast-growing semiconductor market, forecasting inflection points so pricing policy keeps pace with demand.
- Automates repetitive analysis work with **AI agents built on Claude**, the same automate-approvals-as-volume-grows instinct behind a Deal Desk's own CPQ standards.
- Carries **P&L and revenue targets** while building forecasting models across multiple product groups, the margin and expansion tracking a deal-economics model is built to surface.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Built the FY2026 **Bleeders and Leakers Power BI dashboard**, modeling 1,200 deal-level pricing decisions against a $627M target across 3 regions and surfacing $433M in margin gaps by rep and product line.
- Recovered **$700K+ in margin in 2 quarters** leading the Bleeders and Leakers program, modeling discount and margin impact deal by deal against competitive gaps and customer willingness to pay.
- Raised **distributor and channel-partner margins from 53% to 61%** in under 2 quarters by restructuring multi-party pricing terms and documenting the new discount logic for Finance to enforce.
- Drove **+12% YoY revenue and +8% market share** through price realignment informed by competitive benchmarking across 10+ key players.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025
