EXPERIENCE

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Aligns **market sizing across Sales, Engineering and Accounts** for the semiconductor business, the cross-functional working-group habit a department-level GTM program needs to stay grounded in field insight, not just headquarters strategy.
- Turns **technical capability into value-based pricing and business-value statements** decision-makers act on, forecasting demand inflection points so plans move with the market instead of behind it.
- Runs **AI agents built on Claude** that act on forecasting and market analysis instead of just summarizing it, carrying P&L and revenue targets plus the leadership-deck, OKR cadence that keeps cross-functional stakeholders aligned.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Drove **GTM for new sensing-product launches** across North America and Europe (positioning, pricing, channel), delivering $2M+ first-year revenue by co-owning the plan with regional sales so global strategy and local execution moved together.
- Equipped **50+ field reps** with sales plays and enablement material (decks, case studies) they used unchanged in the field, lifting win rates 30% and driving pipeline and revenue outcomes tied directly to the messaging.
- Shaped **positioning and messaging** that turned technical sensor features into business-value statements that resonated with buyers, lifting conversion 15% on priority launches.
- Ran **30+ customer interviews** with OEMs and distributors, surfacing regional insight that reshaped the product roadmap and the global message, not just a local fix.
- Built **competitor and customer analysis across EMEA and the US**, finding revenue opportunities in purchasing patterns and competitor market share that fed strategy back to the global team.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Delivered **+12% YoY revenue and +8% market share** through price realignment benchmarked against 10+ competitors, the same business-value translation a Finance-facing persona rewards.
- Executed **multimillion-dollar customer quotes with senior executives** and AP26 revenue models, speaking Finance's own numbers back to Finance stakeholders.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Owned **marketing budgets of $100K/month** across multiple business units, building plans and forecasts presented to the leadership team for approval, the budget-governance habit a CFO-facing program rewards.
- Led **customer research that drove a 20% increase in conversion rate** and a 15% reduction in CPA, translating buyer insight directly into campaign economics.
- Raised **organic search visibility 35%** by closing keyword-strategy gaps and building SEO partnerships that complemented the paid program instead of competing with it.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- Cut **client churn 50%** through proactive account strategy and vertical playbooks across an 8-client AI-platform portfolio, carrying P&L and revenue targets client by client.
- Kept **enterprise case studies and sales materials current**, supporting a 20% improvement in sales team performance industry by industry.
- Measured **program impact in Amplitude and Tableau across 30+ campaigns**, lifting ROAS 40% by tying creative and channel decisions back to measured outcomes.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Generated **16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.
- Bridged **regional marketing managers, localization and analytics teams** as the main liaison, the regional-to-global translation this posting calls program leadership.
- Lifted a **B2B e-commerce startup's conversion rate 36% and revenue 25%** by auditing the database and rebuilding dashboards for data accessibility.

PROJECTS

SwipeHire

- Shipped an **AI job-matching platform** (Python, OpenAI API, React) zero-to-one: wrote the PRD, crafted ICP positioning against competitors, and ran 8+ A/B tests and 12+ user interviews that lifted activation 25% across 50+ early users.
