EXPERIENCE

Strategic Marketing III, Applied Materials

Jun 2026 - Present

- Build **forecasting and market-sizing models** across multiple product groups, the same opportunity-sizing discipline a growth funnel needs to decide where to invest across acquisition, conversion or retention.
- Partner with **Engineering, Sales and Accounts** to size a fast-growing market and turn field input into one forecast leadership can act on, the cross-functional rally a growth owner runs across partner teams.
- Automate repetitive analysis with **AI agents built on Claude**, freeing time for the trade-off calls a high-velocity experimentation program needs.

Pricing Lead, Sensata Technologies

Jul 2025 - May 2026

- Model a **BU-wide price-increase system** in Power BI that flags where a configurable change lifts profitability more than 50%, the exact growth-vs-unit-economics trade-off a membership offer or paywall price point runs.
- Drive **+12% YoY revenue** and +8% market share by repricing against competitive benchmarks across 10+ players, backing every call with data instead of intuition.
- Partner with **senior executives** on AP26 revenue models and multimillion-dollar customer quotes, the stakeholder-alignment work a growth owner runs when a bet touches finance.

Product & Growth Marketing, Sensata Technologies

Sep 2024 - Jun 2025

- Define and run the **product roadmap** for sensor solutions, carrying a 100+ feature backlog through Engineering in Agile across 3 regions, accelerating releases 25% and cutting time-to-market 20%, the same end-to-end roadmap ownership a growth-funnel lead carries from idea to launch.
- Build **KPI frameworks in SQL and GA4** across 50K+ connected devices, finding the high-intent cohorts and adoption signals that lifted feature adoption 18%, the funnel-analysis partnership a growth seat runs with data science.
- Run **30+ customer interviews** with OEMs and distributors, turning pain points into fixes that raised CSAT 22%, the consumer-craft instinct behind why one flow converts better than another.
- Own **positioning and messaging** that turn technical features into customer value, lifting conversion 15% on priority launches.
- Own **GTM** for new sensing products across North America and Europe, driving \$2M+ first-year revenue, a business-outcome bet tied to revenue, not just a feature metric.

Digital Marketing Manager, Plug Power

Oct 2022 - Jul 2023

- Lead **Paid Search and Paid Social bid optimization** across Google Ads, Microsoft Ads, Meta and LinkedIn, running 15+ A/B tests that generate hypotheses, size the opportunity and cut CPA 25%, the same test-and-scale-or-kill loop a high-velocity experimentation program runs.
- Lead **customer research** that drove a 20% increase in conversion rate and a 15% reduction in CPA, then automate the Mar-Tech stack (Salesforce, Adobe Analytics, GA, GTM) for closed-loop funnel reporting.

Customer Success Manager, Pixis (AI Platform)

Jul 2021 - Sep 2022

- Cut **client churn 50%** through proactive account strategy and vertical playbooks across an 8-client, \$15K-\$90K/month portfolio, carrying P&L and revenue targets for retention.
- Use **Amplitude and Tableau** on user behavior across 30+ campaigns, lifting campaign ROAS 40%, feeding the voice-of-customer signal directly back into product decisions.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 - Jun 2021

- Lift a **B2B e-commerce startup's conversion rate 36%** and revenue 25% by rebuilding the data and catalog infrastructure behind its growth funnel, the same conversion-lift pattern a membership funnel runs at a far larger scale.

PROJECTS

SwipeHire

- Ship an **AI job-matching platform** (Python, OpenAI API, React) zero-to-one, owning the end-to-end consumer UI/UX alongside design decisions on matching and resume-tailoring flows for 50+ early users.
- Model **3 subscription pricing tiers** from competitor benchmarks and willingness-to-pay signals, then own the GTM and analytics stack (GA4, GTM, funnel dashboards) that lifted activation 25% across 8+ A/B tests, the acquisition-to-activation funnel a growth seat owns end to end.
