SUMMARY

Marketer who aligns **outside partners** into one go-to-market motion, the work that carried Sensata's sensing line to \$2M+ in first-year revenue. Built the field enablement and case studies 50+ reps carried into partner and customer meetings, lifting win rates 30%, and ran the distributor and channel-partner margin relationships (53% to 61%) that come with owning an external partner base. Automates the recurring market and partner-pipeline reporting behind that work with **AI agents built on Claude** as Strategic Marketing III at Applied Materials. MS in Marketing Analytics, Simon Business School, with coursework in pricing and consumer behavior.

EXPERIENCE

Strategic Marketing III, Applied Materials

Jun 2026 - Present

- **Partner across Sales, Engineering and Accounts** with no reporting line to any of them, turning field and technical input into one market view, the influence-without-authority motion a partner program runs on daily.
- **Automate recurring market and pricing analysis** with AI agents built on Claude, freeing time for the leadership reporting and OKR cadence that carry the role's P&L targets.
- **Build competitive, value-based positioning** for a fast-growing market, forecasting inflection points so messaging keeps pace with demand.

Product & Growth Marketing, Sensata Technologies

Sep 2024 - Jun 2025

- **Owned end-to-end GTM for a new sensing product line** across North America and Europe, coordinating positioning, pricing, channel and launch with distributor and OEM partners into one motion that closed its first year at \$2M+ revenue.
- **Ran 30+ interviews with industry OEM and distributor partners** to find the objections that actually closed deals, then built the messaging that raised CSAT 22%.
- **Armed 50+ field reps** with sales-enablement decks and case studies, the asset development and campaign execution a partner co-marketing calendar runs on, lifting win rates 30%.
- **Built KPI frameworks in SQL and GA4** across 50K+ connected devices, defining the success-metrics discipline a partner program needs to generate measurable pipeline impact.
- **Turned technical sensor capability into buyer-facing value**, positioning and messaging that lifted conversion 15% on priority launches.

Pricing Lead, Sensata Technologies

Jul 2025 - May 2026

- **Raised distributor and channel-partner margins from 53% to 61%** in under two quarters, the same external-partner negotiation a co-marketing budget runs on.
- **Shaped multimillion-dollar customer quotes** and AP26 revenue models directly with senior executives, the cross-functional pull a partner marketer needs without owning either team.

Digital Marketing Manager, Plug Power

Oct 2022 - Jul 2023

- **Owned marketing budgets of \$100K/month** across multiple business units, building the plans and forecasts leadership approved.
- **Built co-branded SEO partnerships** that closed keyword-strategy gaps, raising organic search visibility 35%.
- **Automated the Mar-Tech stack** (Salesforce, Adobe Analytics, GA, Google Tag Manager), building the tracking and reporting infrastructure a partner-sourced pipeline attribution function runs on.
- **Led customer research** that drove a 20% increase in conversion rate and a 15% reduction in CPA.

Customer Success Manager, Pixis (AI Platform)

Jul 2021 - Sep 2022

- **Carried P&L and revenue targets** for an 8-client, \$15K-\$90K/month portfolio as the external-facing presence and primary contact each account depended on, cutting churn 50%.
- **Kept enterprise case studies and sales materials current**, supporting a 20% improvement in sales team performance.
- **Ran quarterly business reviews** across the portfolio, feeding client voice-of-customer signal back into product.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 - Jun 2021

- **Delivered 16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.
- **Acted as the main cross-team liaison** between regional marketing managers, localization and analytics teams on market research.

PROJECTS

Safran Market Sizing & GTM (Simon Vision Consulting)

- Led a **5-consultant team** narrowing 170 facilities to a SAM of 28, building personas across 4 verticals and positioning for 3 B2B product lines, presented to Safran leadership.
