EXPERIENCE

Founder & CEO, PriceKeel May 2026 - Present

- Built the **audit trail** that documents every pricing and approval decision with evidence Finance can review, the governance and documentation discipline a scaling sales org needs behind its approval matrix.
- Designed a **guardrail engine** that reads each deal exception against closed-won and closed-lost history and recommends an explainable path, cutting back-and-forth between reps and approvers.

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Builds **forecasting and market-sizing models** across multiple product groups, partnering with Sales, Engineering and Accounts to turn field input into one shared forecast leadership can act on.
- Automates repetitive analysis with **Claude AI agents**, the first-pass-then-human-call loop that scales reporting without scaling headcount.
- Carries **P&L and revenue targets** and builds the leadership decks behind **OKRs and weekly/quarterly business reviews**, the operating cadence a Sales Ops seat runs for its own leadership.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Led **global pricing strategy** for the Industrial BU (a multi-$100M business), carrying P&L and revenue targets and partnering with Finance on every material call.
- Built the FY2026 **Bleeders & Leakers Power BI dashboard**: 1,200 opportunities against a $627M target, tracking win rate, avg $/win and stage distribution **by salesperson and product line**.
- Surfaced **$433M in margin gaps** from that dashboard for leadership to prioritize by rep and region, and recovered **$700K+ in margin in 2 quarters** resolving the approvals behind it.
- Raised **distributor and channel-partner margins from 53% to 61%** in under 2 quarters, repricing parts sold through distribution.
- Shaped **multimillion-dollar customer quotes** and AP26 revenue models with senior executives, driving +12% YoY revenue and +8% market share.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Delivered **sales enablement** (decks, case studies, battle cards) for **50+ reps**, lifting win rates **30%**, the same rep-facing systems a Sales Ops team owns.
