SUMMARY

Competitive intelligence analyst who turns competitor benchmarking into revenue decisions, not just reports. Drove +12% YoY revenue and +8% market share at Sensata by repricing against 10+ key players' moves. Sizes the semiconductor market with Sales, Engineering and Accounts at Applied Materials, and led a 5-consultant team at Safran from 170 facilities to a defensible SAM of 28, briefing leadership directly on the result. Builds that research and those briefings with AI agents on Claude already, not as a pilot.

EXPERIENCE

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Sizes the **semiconductor market** in partnership with Sales, Engineering and Accounts, turning technical and field input into one competitive view for a fast-moving product line.
- Forecasts the market's **inflection points**, the same forward-looking read a competitive-intelligence function needs before a rival's next move lands.
- Builds **forecasting and market-sizing models** across multiple product groups while carrying P&L and revenue targets.
- Automates recurring research and briefing work with **AI agents built on Claude**, the same AI-tooling habit this kind of role asks for in content development.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Benchmarked **10+ competitors** across the Industrial BU, turning the findings into a repricing recommendation that drove +12% YoY revenue and +8% market share.
- Surfaced **$433M in margin gaps** for leadership via the FY2026 Bleeders and Leakers Power BI dashboard, ranking 1,200 opportunities across 3 regions and 20 product lines.
- Shaped **AP26 revenue models** and site-transition strategy directly with senior executives, the kind of cross-functional briefing a competitive-intelligence seat runs for Sales and leadership.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Ran **competitor and customer analysis** across EMEA and the US, the same go-to-market-moves tracking a competitive-intelligence function runs continuously.
- Conducted **30+ customer interviews** with OEMs and distributors, converting field insight into the segmentation and positioning decisions regional teams executed against.
- Owned **GTM for new sensing products** across North America and Europe, aligning positioning to the competitive landscape and driving $2M+ first-year revenue.

Product Marketing Intern, Sensata Technologies Jul 2024 - Aug 2024

- Tore down the **top three competitors'** products, promotions and positioning, then reviewed POS accounts to feed a distribution-strategy recommendation.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Drove **customer research** that lifted conversion 20% and cut CPA 15%, then presented the resulting plan to the leadership team for approval.
- Built **budgets and forecasts** across multiple business units, joint-planning directly with the leadership team each quarter.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- Carried **P&L and revenue targets** for an 8-client, $15K-$90K/month portfolio, running international-market analysis and reporting recommendations to senior management.
- Delivered **3x ROAS in one month** for a leading fashion brand via full-funnel restructuring: shopping feed cleanup, smart bidding, creative refresh and lookalike expansion.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Bridged **regional marketing managers**, localization and analytics teams as the main liaison, running the cross-market research that fed planning decisions.
- Lifted a **B2B e-commerce startup's conversion rate** 36% and revenue 25% by closing gaps a competitive and site audit surfaced.

PROJECTS

Safran Market Sizing & GTM (Simon Vision Consulting)

- Led a **5-consultant team** on an inside-the-data-center-style market brief, taking TAM/SAM/SOM from 170 facilities to a SAM of 28 across 4 verticals, the kind of structured sizing a competitive-intelligence team runs on continuously.
- Assessed market-entry feasibility across **150+ target facilities** and 10+ competitors, presenting the strategic recommendation directly to Safran leadership.
