EXPERIENCE

Growth & Product Marketing -- Sensata Technologies

Sep 2024 -- Present

- Developed and executed B2B marketing content -- website copy, sell sheets, case studies, and battlecards -- for product launches across North America and Europe, contributing to **+35% qualified leads** and **\$2M+** first-year pipeline.
- Built sales enablement collateral for **50+ reps** across 3 regions; coordinated cross-functional teams to align messaging, timelines, and brand standards across campaigns and business units.
- Built KPI reporting framework in SQL + GA4 across **50K+ connected devices**; ran A/B tests on email subject lines and landing pages, lifting conversion **15%** and reporting results to executive stakeholders.

Digital Marketing Manager -- Plug Power

Oct 2022 -- Jul 2023

- Managed and executed large-scale B2B email marketing campaigns with audience segmentation, lead scoring, and performance optimization -- delivered **-25% CPA** and **+20% conversion rate**.
- Automated the MarTech stack (Salesforce, Adobe Analytics, GA, GTM) for closed-loop attribution, faster reporting, and streamlined campaign scheduling across channels.
- Built audience segments and retargeting lists using Adobe Audience Manager and CRM data, improving MQL-to-SQL conversion across priority product lines.

Customer Success & Growth Manager (AI Platform) -- Pixis

Jul 2021 -- Sep 2022

- Managed **\$1.4M** media budget and oversaw campaign execution across global D2C and e-commerce clients; tracked KPIs and delivered weekly performance reports to client stakeholders.
- Produced client-facing marketing materials, platform training content, and performance decks; drove platform adoption and renewal rates across the book of business.
- Directed **8-person team** coordinating campaign logistics, content schedules, and vendor timelines; reduced client churn **50%** through content-led engagement and vertical-specific playbooks.

Senior Digital Marketing Analyst -- GenY Medium

Jan 2020 -- Jun 2021

- Executed full-funnel digital campaigns (Search, Shopping, Display, Social) and built weekly performance dashboards for founders, informing budget reallocation and creative content decisions.

PROJECTS

SwipeHire

May 2025 -- Present

- Built AI job-matching MVP; managed social media content, email acquisition experiments, and landing page copy across Google, Meta, Reddit, and LinkedIn to validate early-user funnel.
- Set up full analytics stack (GA4, GTM, event tracking, funnel dashboards) from scratch; maintained marketing database and iterated content based on weekly cohort data.
