EXPERIENCE

Growth & Product Marketing -- Sensata Technologies

Sep 2024 -- Present

- Managed multiple concurrent digital launch workstreams across NA and EU -- coordinated content accuracy checks, channel execution, and cross-functional alignment across product, sales, and marketing, generating **+35% qualified leads** and **\$2M+** first-year pipeline.
- Built performance reporting framework in SQL + GA4 across **50K+ connected devices**; prepared dashboards tracking digital KPIs, search visibility signals, and content engagement -- identified trends that lifted feature adoption **18%** and conversion **15%**.
- Ran **30+ customer interviews** with OEMs and distributors; synthesized data and content insights into targeted messaging updates and A/B test-and-learn experiments that raised CSAT **22%**.
- Built and maintained sales content library (case studies, decks, battlecards) for **50+ reps** across 3 regions; ensured content quality, accuracy, and compliance with brand standards before launch.
- Prepared executive presentations on digital initiative performance and program status; aligned cross-functional stakeholders on success metrics and escalated systemic content issues for resolution.

Digital Marketing Manager -- Plug Power

Oct 2022 -- Jul 2023

- Executed digital marketing initiatives across search, paid social, and email for a B2B audience; A/B tested content, messaging, and audience segments -- delivered **-25% CPA** and **+20% conversion rate**.
- Managed and automated MarTech stack (Salesforce, Adobe Analytics, GA, GTM) for closed-loop performance reporting and campaign attribution; supported eCommerce and demand generation operations teams.
- Built audience segmentation models using Adobe Audience Manager and CRM data; maintained data accuracy and compliance with marketing database standards across priority product lines.

Customer Success & Growth Manager (AI Platform) -- Pixis

Jul 2021 -- Sep 2022

- Managed **\$1.4M** media budget and directed an **8-person team**; oversaw product catalog execution and digital merchandising across Google, Meta, and programmatic for global D2C and eCommerce clients.
- Delivered **3x ROAS in one month** by auditing and correcting product feed content, resolving disapprovals, optimizing search visibility, and launching structured Shopping campaigns with refined bidding.
- Reduced client churn **50%** through proactive performance reporting, test-and-learn experimentation programs, and translating data insights into content and channel strategy adjustments.
- Produced executive-facing digital performance decks and campaign reports; drove platform adoption and renewal rates across the book of business.

Senior Digital Marketing Analyst -- GenY Medium

Jan 2020 -- Jun 2021

- Managed Google Merchant Center and Meta Catalog product feeds for a D2C brand -- audited content accuracy, fixed attribute errors and disapprovals, and optimized titles and descriptions for search visibility, delivering **16x ROAS**.
- Built weekly performance dashboards in SQL tracking digital sales, search rank, conversion rates, and content quality metrics; presented findings to founders to inform merchandising and budget decisions.

PROJECTS

SwipeHire

- Built AI job-matching MVP; executed multi-channel digital marketing, managed content calendar and landing page accuracy, and ran test-and-learn experiments using GA4 + GTM event tracking to optimize onboarding flows.
