EXPERIENCE

Pricing Lead -- Sensata Technologies

Sep 2024 -- Present

- Led global pricing strategy for the Industrial BU; developed product and pricing strategies informed by competitive benchmarking across **10+ key players**, driving **+12% YoY revenue** and **+8% market share**.
- Built pricing analytics framework in SQL + GA4 across **50K+ industrial devices**; identified elasticity patterns and feature-adoption signals that informed price tiers and profitability decisions.
- Formulated business strategies addressing market demands -- owned GTM pricing for new products across NA and EU, driving **\$2M+** first-year revenue through optimized pricing and channel strategy.
- Ran **30+ customer interviews** with OEMs and distributors to validate willingness-to-pay; influenced stakeholders through data-driven recommendations that raised CSAT **22%**.
- Partnered with **50+ sales reps** via battlecards and deal-desk guidance, improving win rates **30%**; collaborated cross-functionally with IT, Sales, Operations, and Finance on quality and profitability improvements.

Product Marketing Intern -- Sensata Technologies

Jul 2024 -- Aug 2024

- Conducted competitive analysis of competitors and distributor networks across the US and EU; identified market opportunities informing pricing and distribution strategy.

Digital Marketing Manager -- Plug Power

Oct 2022 -- Jul 2023

- Led marketing analytics and hypothesis testing across paid channels (Google Ads, SA360, Meta, LinkedIn); delivered **-25% CPA** and **+20% conversion** through A/B testing and data-driven optimization.
- Automated MarTech stack (Salesforce, Adobe Analytics, GA, GTM); built dashboards for stakeholder reporting and data-driven budget allocation decisions.
- Built audience segmentation models using CRM data; provided data-driven recommendations improving pipeline quality and marketing ROI.

Customer Success & Growth Manager (AI Platform) -- Pixis

Jul 2021 -- Sep 2022

- Directed **8-person team** and **\$1.4M** media budget; mentored analysts, built organizational talent, and managed project delivery across multiple concurrent client initiatives.
- Delivered **3x ROAS in one month** via hypothesis testing and data analysis; formulated business strategies addressing market demands for global D2C and e-commerce clients.
- Reduced client churn **50%** through data-driven account strategy; influenced stakeholders through profitability analytics and performance recommendations.

Senior Digital Marketing Analyst -- GenY Medium

Jan 2020 -- Jun 2021

- Delivered **16x ROAS** via data-driven catalog and pricing optimization; built weekly SQL + Tableau dashboards tracking profitability metrics for founder strategic reporting.

PROJECTS

Safran GTM Market Expansion (Consulting)

- Led **5-person consulting team**; conducted TAM/SAM market sizing (170 facilities), built pricing-informed positioning for 3 B2B product lines, and presented business strategy to Safran leadership.

Optimal Pricing Prediction Model

- Developed **R-based pricing optimization models** using linear regression to forecast demand elasticity and identify profit-maximizing price points across product feature scenarios.
