EXPERIENCE

Growth & Product Marketing -- Sensata Technologies

Sep 2024 -- Present

- Created business cases for marketing initiatives with defined objectives and success metrics; planned and managed multiple simultaneous GTM campaigns across NA and EU, generating **+35% qualified leads** and **\$2M+** first-year pipeline.
- Identified and analyzed target audiences using customer insights and data segmentation in SQL + GA4 across **50K+ connected devices**; findings drove messaging strategy that lifted conversion **15%** and feature adoption **18%**.
- Ran **30+ customer interviews** with OEMs and distributors; synthesized insights into audience segmentation and content updates that raised CSAT **22%**.
- Monitored campaign performance and optimized content, messaging, and channel effectiveness across 3 regions; reduced time-to-market **20%** by aligning marketing, product, and sales timelines.
- Built sales enablement assets (case studies, battlecards, decks) for **50+ reps**; collaborated cross-functionally on storytelling and content alignment, contributing to a **30% lift in win rates**.

Digital Marketing Manager -- Plug Power

Oct 2022 -- Jul 2023

- Led B2B digital marketing campaigns across Google Ads, SA360, Meta, and LinkedIn; A/B tested messaging, copy variants, and audience segments -- delivered **-25% CPA** and **+20% conversion rate**.
- Automated MarTech stack (Salesforce, HubSpot, Adobe Analytics, GA, GTM) for closed-loop campaign attribution and streamlined performance reporting across channels.
- Built audience segments and retargeting funnels using Adobe Audience Manager and CRM data; supported Performance Marketing and Operations teams with channel planning and MQL pipeline reporting.
- Stayed current with digital marketing tools and industry best practices; integrated generative AI into ad copy and keyword workflows, cutting campaign build time and improving creative testing throughput.

Customer Success & Growth Manager (AI Platform) -- Pixis

Jul 2021 -- Sep 2022

- Managed **\$1.4M** media budget and directed an **8-person team** across global D2C clients; planned and executed multi-campaign optimization cycles across Google, Meta, and programmatic channels.
- Delivered **3x ROAS in one month** via full-funnel campaign restructuring: feed cleanup, messaging refresh, smart bidding, and audience expansion.
- Reduced client churn **50%** through data-driven campaign strategy, vertical-specific content playbooks, and proactive performance monitoring.
- Produced client-facing campaign performance decks and digital marketing materials; drove platform adoption and renewal rates across the book of business.

Senior Digital Marketing Analyst -- GenY Medium

Jan 2020 -- Jun 2021

- Delivered **16x ROAS** for a D2C brand by optimizing Google Merchant Center + Meta catalog feeds, restructuring Shopping campaigns, and A/B testing content and offer messaging.
- Built weekly performance dashboards tracking conversion rates, CPA, and channel effectiveness; translated findings into budget and creative decisions for founder reporting.

PROJECTS

SwipeHire

- Built AI job-matching MVP; planned and executed multi-channel digital marketing campaigns (Google, Meta, Reddit, LinkedIn), iterated content and messaging based on audience insights and weekly cohort data.
