EXPERIENCE

Pricing Lead / Product Marketing -- Sensata Technologies

Sep 2024 -- Present

- Lead global pricing strategy for the Industrial BU; translated pricing and packaging structures into clear sales motions -- built deal guides, tier differentiation frameworks, and objection handling playbooks for **50+ reps**, improving win rates **30%**.
- Owned GTM launch readiness for new sensing products across NA and EU -- produced pricing change communications, sales training, and customer-facing value propositions that drove **\$2M+** first-year revenue and **+35% qualified leads**.
- Conducted competitive benchmarking across **10+ key players** and built competitive pricing narratives that reinforced differentiated value, contributing to **+8% market share** and **+12% YoY revenue**.
- Ran **30+ customer interviews** with OEMs and distributors to validate willingness-to-pay, surface pricing friction, and refine value messaging; insights fed directly into tier design and packaging decisions.
- Partnered with senior executives, finance, and product on AP26 revenue models and margin targets; translated internal pricing decisions into customer-facing value stories and repeatable field guidance.

Digital Marketing Manager -- Plug Power

Oct 2022 -- Jul 2023

- Built value-based messaging frameworks and sales enablement for B2B hydrogen-energy solutions targeting enterprise segments; delivered **-25% CPA** and **+20% conversion rate** through messaging and funnel optimization.
- Automated MarTech stack (Salesforce, Adobe Analytics, GA, GTM) for closed-loop attribution; built audience segmentation and MQL-to-SQL conversion reporting for revenue operations alignment.

Customer Success & Growth Manager (AI Platform) -- Pixis

Jul 2021 -- Sep 2022

- Managed **\$1.4M** media budget across global D2C and SaaS clients; negotiated packaging changes and renewal terms that cut churn **50%** by aligning pricing conversations to customer-specific ROI outcomes.
- Delivered **3x ROAS in one month** for a leading brand by building offer-level value narratives, testing pricing and bundling presentation, and restructuring full-funnel strategy.
- Produced ROI-focused performance presentations and platform adoption case studies; trained clients on AI bidding tools, driving renewal rates across the book of business.

Senior Digital Marketing Analyst -- GenY Medium

Jan 2020 -- Jun 2021

- Delivered **16x ROAS** for a D2C brand via catalog and pricing/offer optimization; built weekly dashboards tracking revenue, margin contribution, and conversion efficiency for founder reporting.

PROJECTS

SwipeHire

May 2025 -- Present

- Built AI job-matching MVP; modeled SaaS subscription pricing scenarios, competitor price benchmarks, and willingness-to-pay estimates to inform monetization strategy and tier design.
- Developed positioning and value propositions for distinct user segments; built pricing page experimentation roadmap and customer-facing packaging messaging from scratch.
