- Built KPI framework in SQL + GA4 across **50K+ connected devices**; translated usage data and cohort insights into strategic marketing recommendations that lifted feature adoption **18%**.
- Ran **30+ customer interviews** with OEMs and distributors; synthesized research findings into actionable messaging updates and CRO experiments, raising CSAT **22%** and conversion **15%**.
- Coordinated multiple simultaneous launch workstreams across **3 regions**, aligning marketing, product, and sales timelines to reduce time-to-market by **20%**; presented program progress to senior executives.
- Built sales enablement library (decks, case studies, battlecards) for **50+ reps**, contributing to a **30% lift in win rates**; conducted competitive benchmarking across **10+ key players**.

Digital Marketing Manager -- Plug Power

Oct 2022 -- Jul 2023

- Owned Paid Search and Paid Social strategy (Google Ads, SA360, Meta, LinkedIn) for B2B hydrogen-energy audience; A/B tested keywords, match types, and creatives to deliver **-25% CPA** and **+20% conversion rate**.
- Automated MarTech stack (Salesforce, Adobe Analytics, GA, GTM) enabling closed-loop attribution from ad click to SQL; synthesized data into executive dashboards that guided budget allocation decisions.
- Built audience segments and retargeting funnels via Adobe Audience Manager and CRM data; managed cross-functional alignment with sales on MQL definitions, pipeline targets, and reporting cadence.

Customer Success & Growth Manager (AI Platform) -- Pixis

Jul 2021 -- Sep 2022

- Managed **8-person team** and **\$1.4M** media budget across global D2C and e-commerce clients; coordinated weekly optimization workstreams across Google, Meta, and programmatic channels.
- Delivered **3x ROAS in one month** for a leading fashion brand via full-funnel restructuring: Shopping feed cleanup, smart bidding, creative refresh, and lookalike audience expansion.
- Reduced client churn **50%** through data-driven account strategy and vertical-specific growth playbooks; presented program performance and strategic recommendations to client executive stakeholders.

Senior Digital Marketing Analyst -- GenY Medium

Jan 2020 -- Jun 2021

- Delivered **16x ROAS** for a D2C e-commerce brand by rebuilding Google Merchant Center + Meta catalog feeds and launching structured Shopping + Advantage+ campaigns with A/B tested offers.
- Built weekly performance dashboards (SQL, Excel) tracking ROAS, CPA, and conversion efficiency; translated data insights into budget reallocation and creative strategy recommendations for founders.

PROJECTS

SwipeHire

May 2025 -- Present

- Built AI job-matching MVP; coordinated multi-channel acquisition experiments (Google, Meta, Reddit, LinkedIn) and iterated positioning based on weekly cohort analysis and user research findings.
- Set up full analytics + attribution stack (GA4, GTM, event tracking, funnel dashboards) from scratch; translated data insights into messaging, UX, and onboarding experiments.
