EXPERIENCE

Product Marketing, Sensata Technologies

Sep 2024 to Present

- Ran **30+ structured customer interviews** with OEMs and distributors across NA and EU; mapped end-to-end buying journeys, uncovered pain points at each touchpoint, and translated findings into product and marketing improvements lifting CSAT **22%**.
- Facilitated **3-week cross-functional alignment workshops** with product, sales, pricing, and 3 regional GMs before launching research; ensured all stakeholders agreed on objectives and success metrics upfront.
- Managed **100+ item research and feature backlog** in Agile with internal teams and partners; coordinated prioritization, stakeholder alignment, and execution cadence, cutting time-to-market **20%**.
- Built SQL + GA4 measurement framework on **50K+ connected devices**; synthesized qual interview data + quant adoption analytics into actionable recommendations presented to senior executives (+18% feature adoption).

Product Marketing Intern, Sensata Technologies

Jul 2024 to Aug 2024

- Conducted competitive and distributor journey analysis across the US and EU; surfaced touchpoint gaps informing distribution and activation strategy.

Digital Marketing Manager, Plug Power

Oct 2022 to Jul 2023

- Built **HubSpot lifecycle and CRM automation from scratch**: email cadences, lead nurturing workflows, segmentation logic, and confirmation messaging for B2B hydrogen-energy buyers; drove **-25% CPA** and **+20% conversion**.
- Owned **activation and onboarding email strategy**: configured trigger-based emails, optimized messaging and timing through A/B testing, and built closed-loop attribution via Salesforce + Adobe Analytics + GA + GTM.
- Partnered cross-functionally with Sales, IT, and Marketing on lead-quality definitions and research priorities before configuring any workflows.

Customer Success, Pixis (AI Marketing Platform)

Jul 2021 to Sep 2022

- Managed **8-client B2B SaaS portfolio** and **\$1.4M** budget; mapped client onboarding journeys, identified activation bottlenecks, and built vertical-specific playbooks reducing churn **50%**.
- Facilitated **weekly cross-functional reviews** across creative, account management, and platform teams; synthesized client feedback into product and campaign recommendations.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 to Jun 2021

- Delivered **16x ROAS** for a D2C brand; built weekly SQL dashboards synthesizing campaign performance, customer behavior, and conversion funnel data into founder-facing recommendations.

PROJECTS

SwipeHire, AI Platform (Founder)

- Designed and owned **full onboarding-to-activation journey** from zero: mapped every touchpoint from landing to first value moment, instrumented GA4 + GTM + event tracking, ran **8+ A/B tests** on confirmation screens, onboarding flows, and next-best-action messaging, lifting activation **25%** and onboarding **50+ users**.
- Iterated activation strategy weekly based on cohort retention data and user feedback loops.

Safran GTM Market Expansion, Simon Consulting

- Led a **5-person team**: customer journey research across **170 facilities**, 4-vertical persona development, and positioning for 3 B2B product lines; facilitated workshops and presented strategy to Safran leadership.
