EXPERIENCE

Product Marketing, Sensata Technologies

Sep 2024 to Present

- Own **cross-functional execution calendar** for new product launches across NA and EU, coordinating Digital, Brand, Sales, Engineering, and Pricing teams; cut time-to-market **20%** through disciplined sprint cadence and backlog management (**100+ features** in Agile).
- Monitored **competitive activity across 10+ players** and consumer behavior trends to inform platform priorities and business decisions; contributed to **+8% market share gain**.
- Led **email and content campaigns** driving **+35% qualified leads** and **\$2M+** first-year revenue; partnered with brand teams to ensure cohesive narrative across channels.
- Built SQL + GA4 measurement framework on **50K+ connected devices** to track content effectiveness, search visibility, and feature adoption (**+18%**).

Product Marketing Intern, Sensata Technologies

Jul 2024 to Aug 2024

- Conducted competitive and distributor analysis across the US and EU; surfaced digital and content opportunities informing distribution strategy.

Digital Marketing Manager, Plug Power

Oct 2022 to Jul 2023

- Built **owned-platform MarTech stack from scratch**: Salesforce (CRM/pipeline), HubSpot (email automation, lifecycle cadences, lead nurturing), Adobe Analytics, GA, GTM; drove **-25% CPA** and **+20% conversion**.
- Owned **SEO and keyword strategy** for B2B hydrogen-energy audience; ran A/B testing on content, landing pages, and audience segments, reducing wasted spend **15%**.
- Built **audience segmentation and retargeting** via Adobe Audience Manager and CRM data; coordinated asset creation and deployment across PR, product, and sales teams.

Customer Success, Pixis (AI Marketing Platform)

Jul 2021 to Sep 2022

- Managed **\$1.4M** budget across global D2C and e-commerce clients on an **AI-powered marketing platform**; ran weekly optimization cycles across Google, Meta, and programmatic with AI-driven bidding and content tools.
- Designed scalable **digital playbooks** (activation, promotion, creator-driven content); reduced client churn **50%**.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 to Jun 2021

- Owned **D2C owned-platform operations**: Shopify, WordPress, Google Merchant Center, Meta Catalog; managed seasonal content calendar, product feed hygiene, and on-time asset deployment delivering **16x ROAS**.
- Built weekly SQL dashboards tracking content performance, catalog health, and promotion effectiveness for founder-level decision-making.

PROJECTS

SwipeHire, AI-Powered Platform (Founder)

- Built a production **AI product using OpenAI API** (Python, React): prompt engineering, structured output parsing, AI-generated content pipelines for resume tailoring and job matching. Not a ChatGPT wrapper; end-to-end API integration.
- Owned full **digital ops + analytics stack** (GA4, GTM, event tracking, cohort dashboards); ran **8+ A/B tests** on content and activation flows, lifted activation **25%**, onboarded **50+ users**.
