EXPERIENCE

Growth & Product Marketing -- Sensata Technologies

Sep 2024 -- Present

- Led development of marketing dashboards and KPI framework in SQL + GA4 across **50K+ connected devices**; established measurement strategies and defined success metrics that lifted feature adoption **18%** and conversion **15%**.
- Transformed complex customer and marketing data into actionable insights; presented recommendations to senior stakeholders that raised CSAT **22%** and informed GTM strategy generating **\$2M+** pipeline.
- Ran **30+ customer interviews**; synthesized qualitative and quantitative data to influence marketing strategy and optimize campaign messaging across 3 regions.

Product Marketing Intern -- Sensata Technologies

Jul 2024 -- Aug 2024

- Conducted competitive analysis across US and EU distributor networks; synthesized large datasets into market insights informing strategic recommendations.

Digital Marketing Manager -- Plug Power

Oct 2022 -- Jul 2023

- Owned marketing analytics stack (Salesforce, Adobe Analytics, GA, GTM); led development and governance of performance dashboards enabling closed-loop campaign attribution and data-driven optimization.
- Established measurement strategies for paid campaigns (Google Ads, SA360, Meta, LinkedIn); defined success metrics and A/B tested messaging, delivering **-25% CPA** and **+20% conversion rate**.
- Enhanced data quality and tracking methodologies across all marketing platforms; automated reporting pipelines and recommended analytics tool improvements to leadership.
- Built audience segments using Adobe Audience Manager and CRM data; transformed complex campaign data into actionable insights that improved MQL-to-SQL conversion and reduced wasted spend **15%**.

Customer Success & Growth Manager (AI Platform) -- Pixis

Jul 2021 -- Sep 2022

- Directed **8-person team** and **\$1.4M** media budget; mentored junior analysts, established analytics standards, and led performance monitoring across Google, Meta, and programmatic for global D2C clients.
- Led development of weekly and quarterly dashboards tracking ROAS, CPA, conversion, and retention; presented insights and recommendations to client senior stakeholders to influence strategy.
- Delivered **3x ROAS in one month** via data-driven optimization; reduced churn **50%** through proactive analytics, industry trend monitoring, and recommending analytics tool improvements that drove platform adoption.

Senior Digital Marketing Analyst -- GenY Medium

Jan 2020 -- Jun 2021

- Delivered **16x ROAS** via data-driven catalog and campaign optimization; built weekly SQL + Excel dashboards tracking performance metrics and presented findings to founders for strategic decision-making.
- Ran full-funnel marketing analytics (Search, Shopping, Display, Social); monitored campaign performance, identified trends, and provided data-driven optimization recommendations.

PROJECTS

Employee Analysis (SQL)

- Designed and executed **advanced SQL queries** for workforce analytics; extracted KPIs from large datasets and built performance monitoring dashboards for stakeholder reporting.
