EXPERIENCE

Product Marketing & Strategy Lead -- Sensata Technologies

Sep 2024 -- Present

- Designed structured growth initiatives across product, operations, and regional industry teams; led cross-functional backlog of **100+ features** in Agile, cut time-to-market **20%** across 3 regions.
- Ran **30+ interviews** with OEMs and distributors to diagnose ecosystem gaps; translated insights into product enhancements and partner enablement programs that lifted CSAT **22%**.
- Executed GTM strategy for new sensing products across NA and EU, delivering **\$2M+** first-year revenue; lifted partner win rates **30%** with enablement assets and contributing to **12% YoY revenue**.
- Built SQL + GA KPI framework across **50K+ connected devices**; analyzed performance data and ecosystem trends, producing ongoing strategy refinements presented to senior executives.

Product Marketing Intern -- Sensata Technologies

Jul 2024 -- Aug 2024

- Conducted competitive analysis of distributor networks across US and EU; identified ecosystem growth opportunities and informed distribution strategy improvements.

Customer Success & Growth Manager -- Pixis (AI Marketing Platform)

Jul 2021 -- Sep 2022

- Led an **8-person team** managing a **\$1.4M** budget across a portfolio of global D2C and e-commerce merchants; owned onboarding, retention, and long-term growth across the client ecosystem.
- Designed scalable merchant success playbooks (vertical-specific activation, promotion, creator-driven content); reduced client churn **50%** via proactive strategy and channel diversification.
- Delivered **3x ROAS** in 30 days for a leading fashion brand via full-funnel restructuring -- Shopping feed, bid strategy, promotions, and lookalike expansion.

Digital Marketing Manager -- Plug Power

Oct 2022 -- Jul 2023

- Stood up MarTech stack (Salesforce, Adobe Analytics, GA, GTM) to give product and marketing scalable self-serve tooling; closed-loop attribution drove **-25% CPA** and **+20% conversion**.
- Led A/B testing roadmap across paid search and paid social; built audience segments and retargeting funnels via Adobe Audience Manager and CRM data.

Senior Digital Marketing Analyst -- GenY Medium

Jan 2020 -- Jun 2021

- Delivered **16x ROAS** for a D2C e-commerce brand by optimizing Google Merchant Center and Meta product catalogs; ran seasonal promotion strategy and cross-category campaigns.
- Built weekly SQL dashboards tracking merchant ROI, catalog health, and promotion effectiveness; translated findings into actionable optimization recommendations for founders.

PROJECTS

SwipeHire

- Built an **AI job-matching platform** (Python, OpenAI API, React) from zero-to-one: 2-sided marketplace matching candidates to visa-aware roles; onboarded **50+ early users** and iterated on weekly retention cohorts.
- Owned full onboarding, activation, and retention stack (GA4, GTM, event tracking, funnel dashboards); ran **8+ A/B tests** on landing and registration flows, lifting activation **25%**.
