EXPERIENCE

Digital Marketing Manager, Plug Power

Oct 2022 to Jul 2023

- Evaluated, selected, and **built the full AdTech and MarTech stack from scratch:** Salesforce (CRM + pipeline), Adobe Analytics (measurement + tagging), Adobe Audience Manager (audience segmentation + retargeting), GA4, Google Tag Manager; onboarded each platform, configured integrations, and trained Sales + Marketing + IT teams on adoption.
- Owned **paid media operations** across Google Ads, SA360, Meta, and LinkedIn for B2B hydrogen-energy audience; managed bid strategy, auction optimization, creative testing, and budget pacing delivering **-25% CPA** and **+20% conversion**.
- Built **closed-loop attribution** connecting ad spend to qualified pipeline; developed business cases for each platform investment with ROI projections presented to marketing leadership.
- Drove **enterprise adoption** of new measurement capabilities across Sales and Marketing through education sessions, documentation, and ongoing socialization; reduced wasted spend **15%** via improved targeting.

Customer Success, Pixis (AI Advertising Technology Platform)

Jul 2021 to Sep 2022

- Operated on an **AI-powered adtech platform** managing **\$1.4M** in paid media budgets across **8 global D2C and e-commerce clients**; ran weekly optimization cycles across Google, Meta, programmatic DSPs, and retail media (Amazon Sponsored Products, Criteo).
- Delivered **3x ROAS in 30 days** for a leading beauty/fashion brand via full-funnel restructuring: Shopping feed optimization, smart bidding, creative A/B testing, retail media activation, and lookalike expansion with holdout incrementality validation.
- Led an **8-person cross-functional team** across creative, account management, and platform specialists; drove adoption of Pixis's AI bidding and creative optimization tools across client accounts, improving platform utilization and renewal rates.
- Reduced client churn **50%** through vertical-specific paid media playbooks and proactive channel diversification.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 to Jun 2021

- Delivered **16x ROAS** for a D2C e-commerce brand via Google Shopping, Meta Advantage+, and catalog optimization; built weekly SQL dashboards on paid media ROI and channel efficiency informing platform investment decisions.

Product Marketing, Sensata Technologies

Sep 2024 to Present

- Drove **enterprise adoption** of SQL + GA4 measurement framework across **50K+ connected devices** and 3 regional teams; led education and socialization of new analytics capabilities with product, engineering, and sales stakeholders (+18% adoption).
- Developed **business cases** for platform and GTM investments presented to senior executives; managed **100+ item roadmap** in Agile and led without authority across product, sales, engineering, and 3 regions (cut TTM **20%**).

PROJECTS

SwipeHire, AI-powered Platform (Founder)

- Built a production **AI tool using OpenAI API** (Python, React); evaluated and integrated API platforms, designed automated content pipelines, and instrumented full analytics stack (GA4, GTM, event tracking); **8+ A/B tests**, +25% activation, 50+ users.
