Go-To-Market Strategy & Operations | AMER Launch Coordination, Roadmap Synthesis, Regional Pilots | Semiconductor, Industrial Tech and B2B SaaS Markets

San Francisco Bay Area, CA | +1-929-563-9974 | arokhith@gmail.com | LinkedIn | Portfolio

SUMMARY

Runs the go-to-market strategy that turns Sales, Engineering and Accounts input into one launch-ready view at Applied Materials. Owned GTM launches for Sensata's new sensing products across North America and Europe, converting 30+ OEM and distributor interviews into the roadmap decisions regional teams executed on, for $2M+ first-year revenue. Built the FY2026 Bleeders and Leakers Power BI dashboard, synthesizing 3-region pricing feedback into a recommendation that lifted market share +8%. Automates recurring go-to-market analysis and reporting with AI agents built on Claude, freeing time for roadmap and pilot work.

EXPERIENCE

Strategic Marketing III, Applied Materials Jun 2026 - Present

- **Owns the go-to-market input** that aligns Sales, Engineering and Accounts into one market view ahead of resourcing and launch decisions, the same cross-functional read a regional activation plan runs on.
- **Forecasts the semiconductor market's inflection points**, turning technical and demand signal into assumptions senior stakeholders act on ahead of a product cycle.
- **Builds forecasting and market-sizing models** across multiple product groups, feeding leadership decks and OKR-driven business reviews.
- **Automates the repetitive side of that analysis** with AI agents built on Claude, freeing time for the judgment calls a GTM strategy and activation seat cannot delegate to a template.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- **Benchmarked 10+ competitors** across the Industrial BU and synthesized the findings into a recommendation that lifted market share +8% and drove +12% YoY revenue, the feedback-to-roadmap loop this role would run for AMER.
- **Built the FY2026 Bleeders and Leakers Power BI dashboard**, ranking 1,200 pricing opportunities across 3 regions and 20 product lines so leadership could act on $433M in margin gaps.
- **Shaped AP26 revenue models** and site-transition strategy directly with senior executives, the recurring executive-stakeholder deliverable this seat is built to carry.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- **Owned GTM launch and activation planning** for new sensing products across North America and Europe, coordinating positioning, pricing and channel with regional teams for $2M+ first-year revenue.
- **Converted 30+ customer interviews** with OEMs and distributors across regions into the segmentation and roadmap decisions country teams executed against, the field-feedback-to-roadmap work this seat owns.
- **Synthesized competitor and customer feedback** across EMEA and the US into revenue-opportunity findings leadership used for launch and growth-program planning.

Product Marketing Intern, Sensata Technologies Jul 2024 - Aug 2024

- **Analyzed the top three competitors'** products, promotions and positioning, feeding POS account reviews that shaped a regional distribution-strategy recommendation for growth markets.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- **Directed $100K/month marketing budgets** across multiple business units, building the plans and forecasts presented to the leadership team for approval each budget cycle.
- **Led customer research** that drove a 20% increase in conversion rate and a 15% reduction in CPA, the same pilot-to-program read this role runs for regional teams.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- **Carried P&L and revenue targets** for an 8-client, $15K-$90K/month portfolio across international, non-English markets, reporting recommendations directly to senior management every cycle.
- **Cut client churn 50%** through proactive account strategy and channel diversification across the portfolio's international markets.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- **Bridged regional marketing managers**, localization and analytics teams, turning market research into launch decisions multiple regions could act on together.

PROJECTS

Safran Market Sizing & GTM (Simon Vision Consulting)

- **Led a 5-consultant team** building TAM/SAM/SOM from 170 facilities to a SAM of 28 across 4 verticals, presenting the implementation roadmap directly to Safran leadership.
- **Assessed market-entry feasibility** across 150+ target facilities and 10+ competitors, structuring an ambiguous problem into a decision leadership could act on.
