EXPERIENCE

Strategic Marketing III, Applied Materials

Jun 2026 - Present

- Partners with **Sales, Engineering and Accounts** on market sizing, turning field and technical buyer input into one strategic view before it reaches customers.
- Builds **competitive, value-based pricing** and forecasts market inflection points across multiple product groups, keeping the narrative current for a fast-moving technical buyer.
- Automates repetitive research with **AI agents built on Claude**, carrying P&L and revenue targets and feeding findings into weekly and quarterly leadership reviews.

Pricing Lead, Sensata Technologies

Jul 2025 - May 2026

- Combined **competitive-benchmarking analysis** (10+ named players) with a price realignment that drove +12% YoY revenue and +8% market share, arming the field with current market intelligence.
- Raised **distributor and channel-partner margins from 53% to 61%** by repricing parts sold through distribution, arming the field with current competitive positioning for channel deals.

Product & Growth Marketing, Sensata Technologies

Sep 2024 - Jun 2025

- Owned **GTM programs for new sensing products** across North America and Europe (positioning, pricing, channel, launch), driving \$2M+ in first-year revenue.
- Ran **30+ customer interviews** with OEMs and distributors, turning pain points into customer-success stories that raised CSAT 22%.
- Wrote the **positioning and messaging** that turned technical features into customer-facing value propositions, lifting conversion 15% on priority launches.
- Built the **sales-tools library** (decks, case studies) for 50+ reps, empowering the field to communicate the product clearly and lifting win rates 30%.
- Ran **competitive and customer analysis** across EMEA and the US, surfacing revenue opportunities in purchasing patterns and competitor share that sharpened messaging and materials.
- Designed **KPI frameworks in SQL and GA4** across 50K+ connected devices, surfacing high-intent buyer segments.

Digital Marketing Manager, Plug Power

Oct 2022 - Jul 2023

- Owned **\$100K/month marketing budgets** across multiple business units, building plans and forecasts presented to the leadership team for approval.
- Turned **customer research** into fast messaging and campaign changes, lifting conversion 20% and cutting CPA 15%.
- Automated the **WordPress and Pardot** website and lead flow, closing keyword-strategy gaps that raised organic content visibility 35% and cut cost per lead 50%.

Customer Success Manager, Pixis (AI Platform)

Jul 2021 - Sep 2022

- Cut **client churn 50%** across an 8-person team managing 8 accounts (\$15K-\$90K/month spend each) through proactive account strategy and vertical playbooks.
- Kept **enterprise case studies and sales materials current**, supporting a 20% improvement in sales-team performance and feeding customer voice back to product.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 - Jun 2021

- Delivered **16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds, then bridged regional marketing, localization and analytics teams as the main liaison on database audits and dashboards.

PROJECTS

SwipeHire

- Wrote the **positioning and GTM content** for an AI job-matching platform built zero-to-one (Python, OpenAI API, React), running competitor teardowns that onboarded 50+ early users.
