SUMMARY

Marketer who **turns a technical platform into solution narratives buying committees act on**: owned GTM and positioning for Sensata's new sensing products across North America and Europe, translating engineering capability into value stories for technical buyers and distributors, driving \$2M+ first-year revenue. Built the sales enablement (decks, case studies, competitive context) that armed 50+ reps to win complex, technical sales conversations, lifting win rates 30%. Sizes a technically dense market (semiconductors) with Sales, Engineering and Accounts as Strategic Marketing III at Applied Materials, and automates repetitive analysis with AI agents built on Claude, genuine daily use of the agent category this role sells into. MS in Marketing Analytics, Simon Business School.

EXPERIENCE

Strategic Marketing III, Applied Materials

Jun 2026 - Present

- **Translate a technically dense market into one shared narrative**, sizing the semiconductor business in partnership with Sales, Engineering and Accounts so the story holds up with both technical and commercial audiences.
- **Build competitive, value-based pricing content** for a fast-moving market, forecasting inflection points before they reach the field, the same ambiguity-and-iteration pace a category still being defined requires.
- **Automate repetitive analysis with AI agents built on Claude**, hands-on use of the exact agent-engineering category this role sells into, not a borrowed talking point.

Product & Growth Marketing, Sensata Technologies

Sep 2024 - Jun 2025

- **Owned GTM for new sensing products** across North America and Europe (positioning, pricing, channel, launch) for a technical, regulated industrial buyer, driving \$2M+ first-year revenue and +35% qualified leads.
- **Wrote the positioning that turned dense sensor specs into a buyer-ready value story** for engineers and procurement alike, lifting conversion 15% on priority launches.
- **Built sales enablement (decks, case studies, competitive context) for 50+ reps** selling into technical buying committees, improving win rates 30%.
- **Ran 30+ customer interviews** with OEM and distributor engineers to find the language that closes deals, feeding content updates that raised CSAT 22%.
- **Analyzed competitors and customers across EMEA and the US**, keeping messaging and win/loss content current against shifting market share.

Pricing Lead, Sensata Technologies

Jul 2025 - May 2026

- **Realigned pricing against 10+ competitors** through structured benchmarking, driving +12% YoY revenue and +8% market share.
- **Built the leadership decks used in multimillion-dollar customer quotes**, partnering directly with senior executives for executive-facing conversations.

Digital Marketing Manager, Plug Power

Oct 2022 - Jul 2023

- **Owned the plans, forecasts and leadership presentations** behind \$100K/month multi-channel budgets across multiple business units.
- **Ran customer research and creative testing** that reshaped messaging, lifting conversion 20% and cutting CPA 15%.
- **Closed keyword-strategy gaps and built SEO partnerships**, raising organic search visibility 35%.

Customer Success, Pixis (AI Platform)

Jul 2021 - Sep 2022

- **Cut client churn 50%** across an 8-client, \$15K-\$90K/month portfolio through proactive account strategy and vertical playbooks.
- **Kept enterprise case studies and sales materials current** for an AI platform's buying committees, supporting a 20% lift in sales team performance.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 - Jun 2021

- **Delivered 16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.
- **Connected regional marketing, localization and analytics teams**, keeping campaign materials consistent across markets.

PROJECTS

SwipeHire

- **Shipped an AI job-matching platform zero-to-one** (Python, OpenAI API, React): wrote the PRD, scoped the MVP, and launched auto-tailored resumes to 50+ early users.
- **Defined ICP and crafted positioning** against competitors like Jobright, running 8+ A/B tests and 12+ user interviews that lifted activation 25%.
