San Francisco Bay Area, CA | +1-929-563-9974 | arokhith@gmail.com | LinkedIn | Portfolio

SUMMARY

Product marketer who owns **strategic narrative and positioning** end to end, turning technical features into customer value at Sensata, +15% conversion. Runs 30+ structured customer interviews with OEMs and distributors to ground that story in real pain points before building positioning, not after. Modeled subscription pricing and packaging tiers from competitor benchmarks and willingness-to-pay research while building a consumer app zero-to-one, and separately repriced a distributor channel through 10+-player benchmarking for a 12% revenue and 8% share gain. Partners with Sales, Engineering and Accounts on market sizing at Applied Materials today, automating recurring analysis with AI agents built on Claude. MS in Marketing Analytics from Simon Business School.

EXPERIENCE

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Sizes **the semiconductor market** by partnering directly with Sales, Engineering and Accounts, turning scattered field input into one strategic narrative and roadmap.
- Drives **competitive, value-based pricing and packaging** for a fast-growing market, forecasting inflection points across multiple product groups.
- Automates **recurring market and competitive analysis** with AI agents built on Claude, freeing time for the judgment calls a fast-moving GTM plan needs.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Turned **10+-player competitive benchmarking** into a pricing and packaging realignment that drove +12% YoY revenue and +8% market share.
- Closed **multimillion-dollar customer quotes** alongside senior executives, translating customer discovery and willingness-to-pay signals into deal-level financial and pricing calls.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Owned **the strategic narrative and end-to-end GTM** (positioning, pricing, channel, launch) for a new sensing-product line built from scratch, driving $2M+ first-year revenue.
- Architected **positioning and messaging** that turned technical features into customer value propositions, holding one coherent story across multiple launches and lifting conversion 15%.
- Drove **inbound discovery** through 30+ deep-dive interviews with OEMs and distributors, validating ambiguous pain points upstream of the roadmap and raising CSAT 22%.
- Armed **50+ reps** with sales enablement (battlecards, case studies) so new positioning shipped to the field same-week, lifting win rates 30%.
- Tracked **competitor moves and market share** across EMEA and the US, repositioning messaging as the category shifted under the product.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Owned **$100K/month marketing budgets** across multiple business units, building the plans and forecasts presented to leadership for approval.
- Ran **structured customer research** that reshaped messaging and channel mix fast, lifting conversion 20% and cutting CPA 15%.
- Raised **organic search visibility 35%** by closing keyword-strategy gaps and building SEO partnerships.

Customer Success, Pixis (AI Platform) Jul 2021 - Sep 2022

- Hired and managed **an 8-person team** running 8 D2C clients at $15K-$90K/month each, carrying P&L and revenue targets.
- Shaped **vertical playbooks and account strategy** that cut client churn 50% across a consumer-app and e-commerce client base.
- Kept **enterprise case studies** and sales materials current, supporting a 20% improvement in sales team performance.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Delivered **16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.
- Lifted **a B2B e-commerce startup's conversion rate 36%** and revenue 25% through catalog and funnel rebuilds.

PROJECTS

SwipeHire

- Built **an AI job-matching platform** zero-to-one (Python, OpenAI API, React), owning positioning, messaging and the product roadmap with no existing playbook to inherit.
- Modeled **3 subscription pricing tiers** from competitor benchmarks and willingness-to-pay research, then validated demand through 8+ A/B tests and 12+ user interviews, lifting activation 25%.
- Defined **the ICP** and ran competitor teardowns (Jobright and others) to shape positioning before writing a line of product.
