EXPERIENCE

Founder & CEO, PriceKeel May 2026 - Present

- Built PriceKeel's **discount guardrail engine**, which evaluates nonstandard deal exceptions inside the deal platform and recommends the pricing move, learned from each company's own closed-won and closed-lost deals, the same deal-review judgment this role runs across new-business regions.
- Advises go-to-market teams on **deal structure and deal approvals** through PriceKeel's CRM and CPQ, quote and order-form continuity, selling the workflow to RevOps, Sales leadership and Finance against legacy deal-desk tooling.
- Added the **audit trail** that records every pricing decision with evidence Finance can review, strengthening deal governance for RevOps, Sales leadership and Finance, while running pilots and raising the company's first round.

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Builds **competitive, value-based pricing** for a fast-growing semiconductor market, forecasting demand inflection points so pricing and deal terms keep pace, the cost-and-price analysis behind every deal review call.
- Owns **forecasting and market-sizing models** across multiple product groups, the scenario modeling behind every pricing and deal-structure recommendation to stakeholders.
- Automates repetitive pricing and deal analysis with **AI agents built on Claude**, cutting manual steps out of a recurring review cycle.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Led the **Bleeders and Leakers deal-governance initiative** from concept through execution: 1,200 pricing opportunities against a $627M target across 3 regions, 4 product families and 20 product lines, surfacing $433M in margin gaps for leadership to prioritize by salesperson and product line.
- Closed **$700K+ of those margin gaps in two quarters** through deal-review negotiations built on competitive gaps and customer willingness to pay.
- Raised **distributor and channel-partner margins from 53% to 61%** in under two quarters by repricing parts sold through distribution, a discount-governance and deal-structure exercise.
- Negotiated **multimillion-dollar customer quotes** and legal terms on AP26 revenue models with senior executives, taking part directly in customer-facing negotiations on nonstandard deal terms.
- Drove **+12% YoY revenue and +8% market share** through price-realignment decisions built on competitive benchmarking across 10+ key players, carrying the Industrial BU's P&L and revenue targets.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Owned **launch pricing and channel terms** for new sensing products across North America and Europe, driving $2M+ first-year revenue through deal structure matched to customer willingness to pay.
- Ran **30+ customer interviews** with OEMs and distributors to pressure-test willingness-to-pay assumptions, informing the discount and deal-term guardrails that followed.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Oversaw **marketing budgets of $100K/month** across multiple business units, building the cost forecasts and approval packages presented to leadership.
- Automated the **WordPress and Pardot lead flow**, cutting cost per lead 50%.

Customer Success, Pixis (AI Platform) Jul 2021 - Sep 2022

- Carried **P&L and revenue targets** for an 8-client, $15K-$90K/month portfolio, cutting client churn 50% through proactive account strategy.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Lifted a B2B e-commerce client's **conversion rate 36%** and revenue 25% through pricing and catalog restructuring.

PROJECTS

SwipeHire

- Modeled **3 subscription pricing tiers** from competitor benchmarks and willingness-to-pay signals, the same deal-economics modeling behind every quote and discount decision.
- Owned the **GTM and analytics stack** (GA4, GTM, funnel dashboards), running 8+ A/B tests and 12+ user interviews to lift activation 25%.
