Product Marketing & Strategy: Business Strategy, GTM Strategy, Market Sizing (TAM/SAM/SOM), Competitive Intelligence, Segmentation, Process Improvement, AI Agents (Claude)

EXPERIENCE

Founder & CEO, PriceKeel

May 2026 - Present

- Founded **PriceKeel**, an AI-enabled decision-integrity layer for B2B deal pricing that reads a live discount exception and recommends an explainable pricing guardrail learned from each company's own closed-won and closed-lost deals.
- Built the **audit trail** that gives Finance and deal-desk teams evidence for every discount call, building the pricing tools and methodologies that codify judgment into one governed set of repeatable practices.
- Running **pilots** with early B2B customers and raising the company's first round, advancing an AI-enabled pricing ecosystem agenda while running CRM/CPQ, forecast and pipeline reviews, and deal approvals end to end.

Strategic Marketing III, Applied Materials

Jun 2026 - Present

- Build **competitive, value-led pricing** for a fast-growing, highly technical semiconductor equipment market, forecasting demand inflection points so pricing stays ahead of the market.
- Partner closely with **Sales, Engineering and Accounts**, building the influence to turn field and technical input into one pricing view across multiple product groups.
- Automated repetitive pricing analysis with **AI agents built on Claude**, supporting development of the pricing decisions that actually move a deal.

Pricing Lead, Sensata Technologies

Jul 2025 - May 2026

- Led **global pricing strategy and commercialization** for the Industrial BU (a multi-\$100M business) across multiple product lines, helping drive adoption of one pricing standard across account teams while carrying P&L and revenue targets.
- Recovered **\$700K+ in margin in 2 quarters** running the Bleeders & Leakers program: competitive-gap and willingness-to-pay analysis turned into negotiation playbooks account teams could execute.
- Built the FY2026 Bleeders & Leakers **Power BI dashboard**, ranking 1,200 pricing opportunities against a \$627M target across 3 regions and 4 product families with regional scorecards and win-rate tracking leadership used to prioritize by salesperson.
- Raised distributor and channel-partner margins **from 53% to 61%** in under 2 quarters, and partnered with senior executives on AP26 revenue models and multimillion-dollar customer quote pursuits.
- Drove **+12% YoY revenue and +8% market share** and more profitable growth through price realignment informed by competitive benchmarking against 10+ players.

Product & Growth Marketing, Sensata Technologies

Sep 2024 - Jun 2025

- Owned **GTM pricing and channel strategy** for new sensing products across North America and Europe, driving \$2M+ first-year revenue.
- Ran **30+ customer interviews** with OEMs and distributors to test willingness to pay, feeding directly into channel-pricing strategy before launch.

Digital Marketing Manager, Plug Power

Oct 2022 - Jul 2023

- Owned **marketing budgets of \$100K/month** across multiple business units, building the forecasts and plans presented to leadership for approval.
- Led **bid optimization and A/B testing** across paid channels that cut CPA 25%, then automated the Mar-Tech stack for closed-loop reporting.

Customer Success Manager, Pixis (AI Platform)

Jul 2021 - Sep 2022

- Carried **P&L and revenue targets** for an 8-client, \$15K-\$90K/month portfolio while managing an 8-person team, cutting client churn 50% through account strategy.
- Reported pricing and account recommendations to **senior management**, feeding voice-of-customer insight back into product and packaging decisions.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 - Jun 2021

- Delivered **16x ROAS** for D2C e-commerce brands and lifted a B2B startup's revenue 25% by rebuilding catalog feeds and running SEO audits.
- Ran **database audits** and built dashboards that improved data accessibility 30%, acting as the main liaison between regional marketing managers, localization and analytics teams.

PROJECTS

SwipeHire

- Shipped an AI job-matching platform zero-to-one and **modeled 3 subscription pricing tiers** from competitor benchmarks and willingness-to-pay signals, the same tier-and-discount financial modeling a pricing CoE has to defend across a portfolio of service lines.
