EXPERIENCE

Strategic Marketing III, Applied Materials Jun 2026 - Present

- **Sizes the semiconductor market** in partnership with Sales, Engineering and Accounts, turning field and technical input into one view that informs pricing and demand-forecasting decisions across multiple product groups.
- **Builds competitive, value-based pricing** and revenue-forecasting models for a fast-growing market, projecting inflection points across multiple product groups so plans keep pace with demand before a product reaches the field.
- **Automates repetitive market and competitive analysis** with AI agents built on Claude, carrying P&L and revenue targets and feeding findings into weekly and quarterly business reviews.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- **Coordinated pricing and market strategy with sales** across a multi-$100M Industrial BU portfolio, lifting revenue 12% YoY and market share 8% by defending and growing share at key accounts through competitive benchmarking against 10+ players.
- **Built multimillion-dollar customer quotes** with senior executives and repriced distribution, raising channel-partner margins from 53% to 61% in under 2 quarters.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- **Owned end-to-end GTM for new sensing hardware** across North America and Europe (positioning, pricing, channel, launch), promoting the line to global sales and driving $2M+ in first-year revenue through a network of OEM and distributor accounts.
- **Drove the new-design-win funnel** with sales by turning technical specs into customer-facing positioning for OEM and distributor buyers, lifting conversion 15% on priority launches.
- **Fielded customer requests across internal functions** (Engineering, Quality, Customer Service) as the field liaison, running 30+ interviews with OEMs and distributors that surfaced pain points and raised CSAT 22%.
- **Ran project timelines and the product roadmap** for sensor solutions in automotive and industrial segments, managing a 100+ feature backlog with Engineering across 3 regions and cutting time-to-market 20%.
- **Built sales enablement decks and case studies** for 50+ reps and ran ongoing competitive analysis across EMEA and the US, lifting win rates 30%.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- **Owned $100K/month marketing budgets** across multiple business units, building the plans and forecasts presented to the leadership team for approval.
- **Turned customer research into fast campaign changes**, lifting conversion 20% and cutting cost-per-acquisition 15%.
- **Closed keyword-strategy shortfalls** to raise organic search visibility 35%, building partnerships that compounded paid reach with owned traffic.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- **Cut client churn 50%** across an 8-person team managing 8 accounts ($15K-$90K/month spend each) through proactive account strategy and vertical playbooks.
- **Kept enterprise case studies and sales materials current**, supporting a 20% improvement in sales team performance and feeding customer voice back to product.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- **Delivered 16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.
- **Bridged regional marketing, localization and analytics teams** as the main liaison, running database audits that improved data accessibility 30%.

PROJECTS

SwipeHire
