SUMMARY

Founder running **PriceKeel** end to end today: CRM, CPQ, forecast and pipeline reviews and deal approvals for a live B2B SaaS product. That is the same operating rhythm a Chief of Staff runs for an executive team: structure the priorities, run the reviews, close the loop on action items. Carries **P&L and revenue targets** at Applied Materials, Sensata and Pixis, building the leadership decks and executive briefs that turned Sensata's open-ended margin mandate into a $700K+ recovery program leadership acted on. Automates repetitive analysis with Claude AI agents.

EXPERIENCE

Founder & CEO, PriceKeel May 2026 - Present

- Founded **PriceKeel** from a blank page: built the guardrail engine, then set up the company's CRM, CPQ and deal-approval process with no existing playbook to follow.
- Runs **forecast and pipeline reviews** as the standing operating cadence for the business, turning deal-level detail into the one view leadership tracks every week.
- Running **pilots with early customers** and raising the company's first round, acting as the single point of coordination across product, customers and investors.

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Turns **Sales, Engineering and Accounts** input into one market-sizing view for a fast-growing semiconductor segment, the cross-functional alignment work a Chief of Staff runs for an executive team.
- Builds **leadership decks** and runs the OKR cadence with weekly and quarterly business reviews, following up on action items until they close.
- Carries **P&L and revenue targets** for the role, translating high-level goals into forecasting and market-sizing models leadership can act on.
- Automates repetitive analysis with **AI agents built on Claude**, freeing time for the judgment calls a fast-moving team actually needs.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Aligned **senior executives** on AP26 revenue models and site-transition strategy, turning open-ended business questions into numbers leadership used to decide.
- Led the **Bleeders and Leakers program** end to end: 1,200 pricing opportunities ranked against a $627M target, surfacing $433M in margin gaps for leadership to prioritize.
- Recovered **$700K+ in margin in 2 quarters**, raising distributor margins from 53% to 61% by closing negotiations built on competitive gaps and customer willingness to pay.
- Built **leadership decks** and ran the OKR cadence with weekly and quarterly business reviews; promoted from Product & Growth Marketing to Pricing Lead in 10 months.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Owned **GTM for new sensing products** across North America and Europe, driving $2M+ in first-year revenue from a standing start.
- Defined and executed the **product roadmap** across 3 regions, managing a 100+ feature backlog with Engineering in Agile and keeping cross-functional timelines on track.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Hired and managed **marketing team members**, then built the plans and forecasts presented to the leadership team for budget approval.
- Owned **$100K/month in marketing budgets** across multiple business units, building the leadership decks that got them approved.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- Hired and managed an **8-person team** running 8 direct-to-consumer clients on $15K-$90K/month media budgets, carrying P&L and revenue targets.
- Built **leadership decks** and ran the OKR cadence with weekly and quarterly business reviews; cut client churn 50% through proactive account strategy.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Acted as the main **liaison across regional marketing, localization and analytics teams** for D2C e-commerce brands, closing loops no single function owned.

PROJECTS

SwipeHire

- Shipped an **AI job-matching platform** zero-to-one (Python, OpenAI API, React): wrote the PRD, hired and managed the team, and onboarded 50+ early users.
- Ran **board decks** and the OKR cadence for the project, structuring priorities and tracking action items the same way as every seat above.
