EXPERIENCE

Strategic Marketing III, Applied Materials

Jun 2026 - Present

- Sized the **semiconductor market** with Sales, Engineering and Accounts, turning field intel and technical documentation into one market view that anchors pricing and GTM calls.
- Evaluated **competitive pricing architecture** in a fast-moving market, building value-based pricing guidance that forecasts inflection points so positioning stays ahead of demand.
- Packaged **forecasting and market-sizing models** across multiple product groups for both technical and sales audiences.
- Cut research time with **AI agents built on Claude**, automating repetitive synthesis work between a competitive signal and a usable takeaway.

Pricing Lead, Sensata Technologies

Jul 2025 - May 2026

- Benchmarked **10+ competitors'** pricing and positioning, translating findings into a repricing play that drove +12% YoY revenue and +8% market share.
- Centralized **1,200 pricing opportunities** into the FY2026 Bleeders and Leakers Power BI dashboard against a \$627M target across 3 regions, 4 product families and 20 product lines, surfacing actionable insights on \$433M in margin gaps for leadership to prioritize.
- Fed **competitive and account-level intel** into AP26 revenue models and multimillion-dollar customer quotes, working directly with senior executives on deal strategy.

Product & Growth Marketing, Sensata Technologies

Sep 2024 - Jun 2025

- Surfaced **revenue opportunities** from competitor and customer analysis across EMEA and the US, turning purchasing-pattern signals into GTM input for product and sales.
- Shipped **sales enablement** (decks, case studies) for 50+ reps, lifting win rates 30%, the same battlecard-style content a live competitive program has to keep current.
- Owned **positioning and messaging** that turned technical product features into customer-facing value propositions, lifting conversion 15% on priority launches.

Product Marketing Intern, Sensata Technologies

Jul 2024 - Aug 2024

- Tore down the **top three competitors'** products, promotions and positioning, then built Power BI dashboards that turned the research into distribution-strategy recommendations for leadership.

Digital Marketing Manager, Plug Power

Oct 2022 - Jul 2023

- Led **customer research** that shaped go-to-market strategy, driving a 20% increase in conversion rate and a 15% reduction in CPA.
- Planned **marketing budgets of \$100K/month** across multiple business units, building the plans and forecasts presented to leadership for approval.

Customer Success Manager, Pixis (AI Platform)

Jul 2021 - Sep 2022

- Researched **PPC campaigns** across international, non-English markets and retail media, reporting findings to senior management and feeding voice-of-customer into product decisions.
- Analyzed **user behavior across 30+ campaigns** in Amplitude and Tableau, lifting campaign ROAS 40%.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 - Jun 2021

- Ran **database audits** and market research that improved data accessibility 30%, acting as the liaison between regional marketing, localization and analytics teams.

PROJECTS

Safran Market Sizing & GTM (Simon Vision Consulting)

- Led a **5-consultant team** assessing 150+ target facilities and 10+ competitors, building TAM/SAM/SOM and pricing strategy to test market-entry feasibility for 3 B2B product lines, presented to Safran leadership.
