EXPERIENCE

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Partners with **Sales, Engineering and Accounts** to size the semiconductor market, turning technical and field input into one cross-functional view of demand across multiple product groups.
- Builds **value-based pricing and forecasting models** that track inflection points in a fast-growing market, carrying P&L and revenue targets for the role.
- Automates repetitive market analysis with **AI agents built on Claude**, feeding the **cadenced leadership business reviews** (OKRs, weekly/quarterly) that turn the data into decisions.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Owned **end-to-end GTM** for a new Sensata product line across North America and Europe (targeting, channel mix, positioning, pricing, launch), driving **$2M+ first-year revenue** and lifting qualified leads 35% through email and paid launch campaigns.
- Created the **co-marketing enablement** (decks, case studies, battlecards) that third-party OEM and distributor partners and 50+ reps used to promote the new sensing line, lifting win rates 30% against entrenched incumbents.
- Ran **30+ structured interviews** with third-party OEM and distributor partners across the funnel, awareness through renewal, surfacing adoption blockers that raised CSAT 22%.
- Built **SQL + GA4 KPI frameworks** on 50K+ connected hardware-and-software devices, lifting feature adoption 18% and feeding the cadenced business reviews leadership used to prioritize the roadmap.
- Tracked **competitor and customer moves** across EMEA and the US, turning positioning into messaging that lifted priority-launch conversion 15%.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Drove **+12% YoY revenue and +8% market share** through price-realignment decisions informed by competitive benchmarking across 10+ players.
- Briefed **senior executives** on multimillion-dollar customer quotes and site-transition strategy, keeping pricing and launch timing aligned as the business scaled.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Directed **$100K/month marketing budgets** across multiple business units, building plans and forecasts presented to leadership for approval.
- Turned **customer research** into fast campaign and messaging fixes across paid search, paid social and email, lifting conversion 20% and cutting CPA 15% within the quarter.
- Raised **organic search visibility 35%** by closing keyword-strategy gaps and building SEO partnerships that fed the acquisition funnel.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- Cut **client churn 50%** across an 8-person team running 8 client accounts ($15K-$90K/month each) through retention-focused account strategy and vertical playbooks.
- Ran **iOS app paid user acquisition** (Appsflyer, Adjust integrations) and **retail media on Amazon Ads and Criteo** for D2C clients, plus PPC across international, non-English markets.
- Used **Amplitude and Tableau** on user behavior across 30+ campaigns, lifting campaign ROAS 40%, and kept enterprise case studies current to support a 20% lift in sales performance.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Delivered **16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.
- Bridged **regional marketing managers**, localization and analytics teams as the main research liaison, grounding every campaign decision in market data.

PROJECTS

SwipeHire

- Shipped a **two-sided AI job-matching platform** (Python, OpenAI API integrations, React) zero-to-one, serving both job seekers and employers; ran the GA4 analytics stack and 8+ A/B tests, lifting activation 25% for the first 50+ users.
