EXPERIENCE

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Builds **competitive, value-based pricing and market sizing** with Sales, Engineering and Accounts, turning cross-functional input into one market view and a set of business requirements product teams can act on.
- Delivers **data-driven forecasting and positioning** across multiple product groups, briefing stakeholders on inflection points that should change go-to-market timing.
- Automates repetitive market and competitive analysis with **AI agents built on Claude**, while carrying P&L targets and building the leadership decks senior stakeholders review each quarter.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Owned **go-to-market and launch materials** for a brand-new sensing product line end to end (positioning, pricing, channel, launch timing) across North America and Europe, driving $2M+ in first-year revenue.
- Defined **product positioning and messaging** that reframed technical features as buyer value, lifting conversion 15% on priority launches, and built the case studies and launch decks that carried that message to market.
- Ran **30+ qualitative customer interviews** with OEMs and distributors to inform the roadmap and messaging before launch, raising CSAT 22%.
- Built **competitive analyses across EMEA and the US**, turning findings into actionable sales enablement (decks, case studies, playbooks) for 50+ reps and a 30% win-rate lift.
- Delivered **data-driven presentations and proposals** to cross-functional stakeholders (Sales, Engineering, regional leadership), driving alignment on launch priorities across 3 regions.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Drove **+12% YoY revenue and +8% market share** through price-realignment decisions benchmarked against 10+ competitors, supporting launch pricing for next-generation products.
- Built the **business requirements and revenue models** behind multimillion-dollar customer quotes, negotiated directly with senior executives and key accounts.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- Ran **retail media and programmatic campaigns (Amazon Ads, Criteo)** for an 8-client D2C advertiser portfolio ($15K-$90K/month each), translating campaign performance into client-facing training and reporting that cut churn 50%.
- Kept **enterprise case studies and advertiser-facing sales materials** current across the portfolio, supporting a 20% improvement in sales team performance, and ran end-user onboarding so clients could self-serve the ad platform.
- Analyzed **campaign and user behavior data** in Amplitude and Tableau across 30+ campaigns, lifting ROAS 40% and feeding insights back to product.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Directed **$100K/month paid media budgets** across Google Ads, Meta and LinkedIn, presenting plans and performance to the leadership team for approval.
- Led **customer research** that lifted conversion 20% and cut CPA 15%, translating buyer feedback directly into messaging and campaign changes.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Delivered **16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.

PROJECTS

Safran Market Sizing & GTM (Simon Vision Consulting)

- Steered **a 5-consultant team**: TAM/SAM/SOM narrowed from 170 facilities to a SAM of 28, with personas across 4 verticals and go-to-market positioning for 3 B2B product lines.
- Analyzed **150+ target facilities and 10+ competitors**, built the competitive analysis and business case, then presented findings to Safran leadership.
