EXPERIENCE

Strategic Marketing III, Applied Materials

Jun 2026 - Present

- Sizes the **semiconductor market** in partnership with Sales, Engineering and Accounts, turning field and technical input into one view used across the business.
- Builds **competitive, value-based pricing** for a fast-growing market, forecasting its inflection points so customer-facing materials stay current with demand.
- Builds **forecasting and market-sizing models** across multiple product groups, carrying P&L and revenue targets.
- Automates recurring analysis and reporting work with **agentic AI workflows built on Claude**, the same instinct for repeatable, AI-enabled process this role asks for.
- Presents **leadership decks** and runs OKRs with weekly and quarterly business reviews on performance against target.

Product & Growth Marketing, Sensata Technologies

Sep 2024 - Jun 2025

- Ran **30+ customer interviews** with OEMs and distributors to find pain points, turning their stories into a positioning narrative that lifted conversion 15% on priority launches.
- Owned **GTM for new sensing products** across North America and Europe, driving \$2M+ first-year revenue.
- Surfaced **competitor and customer stories** across EMEA and the US that shaped go-to-market plans for new launches.
- Built **sales enablement** (decks, case studies) for 50+ reps, improving win rates 30%.
- Established **KPI frameworks in SQL and GA4** across 50K+ connected devices to track story and campaign resonance, lifting feature adoption 18%.

Pricing Lead, Sensata Technologies

Jul 2025 - May 2026

- Shaped **multimillion-dollar customer quotes** and AP26 revenue models directly alongside senior executives and account teams.
- Drove **+12% YoY revenue and +8% market share** through price-realignment decisions informed by competitive benchmarking across 10+ players.
- Raised **distributor and channel-partner margins from 53% to 61%** in under 2 quarters, working alongside the same account teams customer stories get built with.

Customer Success Manager, Pixis (AI Platform)

Jul 2021 - Sep 2022

- Hired and managed an **8-person team** running the customer-facing program across 8 client accounts, carrying P&L and revenue targets on each.
- Kept **enterprise case studies and sales materials** current across the portfolio, supporting a 20% improvement in sales team performance.
- Reported **recommendations to senior management** and fed customer voice directly back into product on a weekly cadence.
- Extended the **program into international, non-English markets**, pairing retail media (Amazon Ads, Criteo) stories with iOS app UA on Appsflyer and Adjust.
- Cut **client churn 50%** through proactive account strategy and vertical playbooks.
- Delivered **3x ROAS in one month** for a leading fashion brand via full-funnel restructuring, a story turned into a reference case for the account team.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 - Jun 2021

- Delivered **16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.
- Lifted a **B2B startup's conversion rate 36%** and revenue 25% through audits that reshaped its customer-facing story.
- Acted as the **main liaison** between regional marketing, localization and analytics teams on every campaign story.

PROJECTS

SwipeHire
