EXPERIENCE

Founder & CEO, PriceKeel May 2026 - Present

- Founded **PriceKeel**, a decision-integrity layer for B2B SaaS deal desks that reviews a live discount exception against each company's own closed-won and closed-lost deals and recommends an explainable guardrail.
- Built the **audit trail** that gives Finance clear guidance on every discount and contract-structure call, and run the company's CRM, CPQ, contract workflow and deal-approval governance end to end.
- **Piloting** with early B2B customers and raising the company's first round, turning ad hoc discount exceptions into an approval workflow Sales, Legal and Finance all trust.
- Next build: a **margin layer** on top of the guardrail engine to flag margin left on the table.

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Builds **competitive, value-based pricing** for a fast-growing semiconductor equipment market, forecasting its inflection points so pricing stays ahead of shifting demand instead of chasing it.
- **Partners with Sales, Engineering and Accounts** to turn field and technical input into one forecasting and market-sizing view across multiple product groups, the cross-functional routing a deal desk runs on daily.
- Automates recurring pricing analysis and drives **process improvements** with AI agents built on Claude, cutting manual work out of reporting.
- Carries **P&L and revenue targets** for the role and builds the leadership decks that run OKRs and weekly and quarterly business reviews against them.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Led **global deal pricing** for the Industrial BU (a multi-$100M business) across multiple product lines, running pricing calculations and approval decisions end to end while carrying P&L and revenue targets.
- Recovered **$700K+ in margin in 2 quarters** running the Bleeders & Leakers program: cross-functional deal reviews with Sales and Finance built on competitive gaps and customer willingness to pay.
- Built the FY2026 Bleeders & Leakers **Power BI dashboard** tracking 1,200 deal-pricing opportunities against a $627M target across 3 regions, giving leadership a live view of discounting trends and surfacing **$433M in margin gaps** by rep and product line.
- Raised distributor and channel-partner margins **from 53% to 61%** by balancing deal velocity with margin integrity on non-standard structures, routed through a Sales-Finance approval matrix.
- Shaped **AP26 revenue models** and multimillion-dollar customer quotes with senior executives, driving **+12% YoY revenue** and **+8% market share** through price realignment against 10+ competitors.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Drove **GTM and deal pricing** for new sensing products across North America and Europe, structuring land and renewal terms that drove $2M+ first-year revenue.
- Ran **30+ customer interviews** with OEMs and distributors to test willingness to pay and surface contract friction before launch, feeding directly into deal-structuring decisions.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Owned **marketing budgets of $100K/month** across multiple business units, building the plans and forecasts presented to leadership for approval.
- Led bid optimization and A/B testing that cut **CPA 25%** across paid search and social channels.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- Hired and managed an **8-person team** running an 8-client, $15K-$90K/month portfolio, carrying P&L and revenue targets for every account.
- Cut client churn **50%** through proactive account strategy and kept renewal-stage sales materials audit-ready for every account review.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Delivered **16x ROAS** for D2C e-commerce brands and lifted a B2B startup's revenue **25%** by rebuilding catalog feeds and auditing data pipelines.
- Ran database audits and built dashboards that raised **data accessibility 30%**, backing the SEO and conversion work with cleaner source data.

PROJECTS

SwipeHire

- Shipped an AI job-matching platform zero-to-one and **modeled 3 subscription pricing tiers** from competitor benchmarks and willingness-to-pay signals, the same tiering-and-contract-structuring logic a deal desk defends to Finance as a pricing model evolves.
