EXPERIENCE

Strategic Marketing III, Applied Materials

Jun 2026 - Present

- Sized the **semiconductor market** in partnership with Sales, Engineering and Accounts, the same cross-team research loop Slick division runs across Product, Sales and Marketing.
- Built **competitive, value-based pricing** for a fast-growing market, translating technical specs into positioning Accounts can sell against.
- Automates repetitive market research with **AI agents built on Claude**, the daily AI-tool fluency this role asks for to speed content production and stay ahead of the market.

Product & Growth Marketing, Sensata Technologies

Sep 2024 - Jun 2025

- Owned **go-to-market (GTM) strategy** for new sensing products across North America and Europe, sequencing positioning, channel and launch timing into \$2M+ first-year revenue.
- Turned technical sensor specs into **competitive positioning** against named alternatives, lifting conversion 15% on priority launches.
- Ran **30+ customer interviews** with OEMs and distributors, mining adoption blockers and expansion signals that shaped what enablement and messaging needed to say.
- Built **sales enablement** materials (decks, case studies, competitive one-pagers) that 50+ reps used in live deals, lifting win rates 30%.
- Tracked **competitor and customer research** across EMEA and the US, surfacing findings Product and Sales used to prioritize the next launch.

Pricing Lead, Sensata Technologies

Jul 2025 - May 2026

- Drove **+12% YoY revenue and +8% market share** through price realignment built on competitive benchmarking across 10+ key players.
- Shaped **multimillion-dollar customer quotes** and revenue models with senior executives, turning market and competitive data into terms buyers signed off on.

Digital Marketing Manager, Plug Power

Oct 2022 - Jul 2023

- Owned **\$100K/month marketing budgets** across multiple business units, building the plans and forecasts presented to leadership for approval.
- Ran **customer research** that reshaped messaging and landing pages, lifting conversion 20% and cutting CPA 15%.
- Raised **organic search visibility 35%** by closing keyword-strategy gaps, the same question-shaped content groundwork AI-discoverability product video needs.

Customer Success Manager, Pixis (AI Platform)

Jul 2021 - Sep 2022

- Cut **client churn 50%** through proactive account strategy and vertical playbooks across an 8-client portfolio, the same adoption focus Slick's appointment and payment software owns for its install base.
- Kept **enterprise case studies** and sales materials current, supporting a 20% improvement in sales team performance on live deals.
- Used **Amplitude and Tableau** to track campaign performance across 30+ campaigns, turning findings into optimization calls that lifted ROAS 40%.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 - Jun 2021

- Delivered **16x ROAS** for D2C e-commerce brands by rebuilding product feeds and tightening positioning against intent-based search.
- Bridged **regional marketing, localization and analytics teams**, turning market and competitive research into shared reporting.

PROJECTS

SwipeHire

- Shipped an **AI job-matching platform** zero-to-one, writing the positioning and launch narrative that onboarded 50+ early users.
- Set up the **analytics stack** (GA4, event tracking, Mixpanel-style funnel dashboards) and ran 8+ A/B tests on the registration flow, lifting activation 25%.
