EXPERIENCE

Founder & CEO, PriceKeel May 2026 - Present

- Set up and runs **CRM, CPQ, forecast and pipeline reviews, and deal approvals** end to end, building the audit trail a growing organization's finance and ops function can run on.
- Raising the company's **first round** from investors while running pilots with early customers, translating direct customer feedback into operating priorities.
- Shipped the **guardrail engine and audit trail** from a blank page: took an ambiguous problem and defined the workflow instead of inheriting one.

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Coordinates directly with **Sales, Engineering and Accounts**, the same translation job a chief of staff does between researchers setting technical direction and the operations that execute on it.
- Automates repetitive analysis work with **AI agents built on Claude**, the same kind of AI-driven scaling a technically bottlenecked organization increasingly relies on.
- Carries **P&L and revenue targets** for the role and runs **OKRs** with weekly and quarterly business reviews for leadership.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Shaped **AP26 revenue models and site-transition strategy** directly alongside senior executives, the kind of high-stakes planning that gets a leadership team ready for a board meeting.
- Designed the FY2026 **Bleeders and Leakers Power BI dashboard** tracking 1,200 pricing opportunities against a $627M target, and recovered $700K+ in margin in 2 quarters by running the program end to end.
- **Promoted from Product & Growth Marketing to Pricing Lead in 10 months**, running leadership decks and OKRs with weekly and quarterly business reviews throughout.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Built **sales enablement material** for 50+ reps that lifted win rates 30%, and managed a 100+ feature backlog with engineering across 3 regions in Agile, cutting time-to-market 20%.
- Ran **30+ customer interviews** with OEMs and distributors to collect feedback and find pain points, driving product enhancements that lifted CSAT 22%.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- **Hired and managed** marketing team members, building the budget plans and forecasts presented to the leadership team for approval every quarter.
- Owned **$100K/month budgets** across multiple business units, running the OKR cadence and weekly and quarterly reviews that kept the team on track.
- Automated the **WordPress and Pardot lead flow**, cutting cost per lead 50%, the kind of process automation that frees up time for an organization's higher-leverage priorities.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- **Led an 8-person team** running 8 enterprise clients, carrying P&L targets and cutting client churn 50% through proactive account strategy.
- Produced **leadership decks** and ran OKRs with weekly and quarterly business reviews, reporting recommendations directly to senior management.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Acted as the **main liaison** between regional marketing managers, localization and analytics teams, the kind of cross-team coordination that keeps a growing organization's priorities aligned.
- Ran **database audits** and built dashboards, improving data accessibility 30%, the operational visibility a growing team's leadership needs to track priorities.

PROJECTS

SwipeHire

- Recruited and managed the team behind an **AI job-matching platform** shipped zero-to-one: wrote the PRD, scoped the MVP, and shipped auto-tailored resumes and matching logic to 50+ early users.

Safran Market Sizing & GTM (Simon Vision Consulting)

- Led a **5-consultant team** from an ambiguous brief to a TAM/SAM/SOM model across 170 facilities, presenting the finished case directly to Safran leadership.
- Analyzed **150+ target facilities** and 10+ competitors, assessing pricing strategy and the financial feasibility of market entry.
