Revenue & Sales Operations | Global Process Frameworks, CRM Governance | AI-Driven Automation & Funnel-to-Business-Case Analytics

San Francisco Bay Area, CA | +1-929-563-9974 | arokhith@gmail.com | LinkedIn | Portfolio

SUMMARY

Revenue operations manager who replaces regional fragmentation with one **unified global framework** for Account Management teams at scale. Built Sensata's Bleeders & Leakers Power BI dashboard (1,200 opportunities, $627M target, by win rate and stage distribution across 3 regions) and runs CRM, CPQ, forecast and deal-approval governance at PriceKeel. Automates repetitive revenue reporting with AI agents built on Claude, the same agentic-workflow scouting this role asks for, and has standardized sales playbooks and handoff protocols for 50+ reps across regions without direct authority over the teams involved.

EXPERIENCE

Founder & CEO, PriceKeel May 2026 - Present

- Designed the **guardrail engine** that turns patterns in closed-won and closed-lost deals into one explainable discount rule, replacing ad hoc regional calls with a unified, central methodology.
- Owns **CRM, CPQ and deal desk workflows** end to end, running forecast and pipeline reviews and approving non-standard deals with Finance on an auditable trail.
- Piloting the framework with **early customers** while raising the company's first round, selling a global operating framework to RevOps, Sales and Finance leadership.

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Automates **revenue reporting and analysis** with AI agents built on Claude, the agentic-automation habit this role scouts for.
- Builds **forecasting models** across multiple product groups with Sales, Engineering and Accounts in place of fragmented regional views.
- Carries **P&L and revenue targets**, running OKRs and weekly/quarterly business reviews that give commercial leadership visibility into capacity, funnel health and program adoption.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Built the FY2026 **Bleeders & Leakers Power BI dashboard**: 1,200 opportunities against a $627M target by win rate, $/win and stage, across 3 regions and 20 product lines each tracking the funnel its own way.
- Surfaced **$433M in margin gaps** and recovered $700K+ in two quarters by resolving the operational friction behind each exception.
- Raised **distributor margins from 53% to 61%** in under two quarters by repricing parts sold through distribution.
- Shaped **AP26 revenue models** and site-transition strategy with senior executives, negotiating multimillion-dollar customer quotes.
- Drove **+12% YoY revenue and +8% market share** through price realignment benchmarked across 10+ competitors.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Developed **sales enablement playbooks** (decks, case studies, training content) for 50+ reps, lifting win rates 30% by standardizing a handoff protocol that had been fragmented by region.
- Generated **+35% qualified leads** through email and paid launch campaigns while owning GTM for new sensing products across North America and Europe.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Automated the **WordPress and Pardot lead-nurture workflow**, cutting cost per lead 50% by removing a recurring manual friction point from the funnel.
- Owned **marketing budgets of $100K/month** across multiple business units, building the spreadsheet models and business cases presented to leadership for approval.
- Tied **SEM performance to MQL quality and stage-1 opportunities** across 50+ inbound campaigns, translating funnel metrics into a business case leadership could act on.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- Hired and managed an **8-person team** running 8 client portfolios with $15K-$90K/month budgets, carrying P&L and revenue targets across the book of business.
- Cut **client churn 50%** through proactive account strategy and channel diversification, the same portfolio-health and capacity-protection discipline this role runs for Account Managers.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Ran **database audits** and built dashboards that improved data accessibility 30%, giving regional teams one shared source of truth instead of fragmented views.

PROJECTS

SwipeHire

- Built the **GTM and analytics stack** for a zero-to-one AI job-matching platform, running 8+ A/B tests that lifted activation 25%.
