SUMMARY

Founder and operator who builds the **partnerships engine** behind a leadership team's agenda, turning founder and investor relationships into executed outcomes. Runs PriceKeel, a B2B SaaS pricing startup in pilots and raising its first round, building relationships with investors, VCs and early customers from zero. Drives cross-functional alignment across Sales, Engineering and Accounts as Strategic Marketing III at Applied Materials, and recovered $700K+ in margin in 2 quarters at Sensata by turning a pricing program into negotiated partner outcomes across a global organization. Automates the repetitive synthesis behind that work with AI agents built on Claude.

EXPERIENCE

Founder & CEO, PriceKeel May 2026 - Present

- **Runs the fundraising process** for PriceKeel's first round, turning conversations with investors and VCs into decision briefs, the same high-trust relationship-building this seat is built on.
- **Founded PriceKeel**, a B2B SaaS pricing startup, solving a 0-to-1 problem end to end: product, CRM/CPQ and the audit trail, with no team to hand pieces to.
- **Scopes and runs pilots** with early customers end to end, negotiating terms and turning each pilot into the next one, the same idea-to-execution motion a partnerships pipeline runs on.

Strategic Marketing III, Applied Materials Jun 2026 - Present

- **Bridges Sales, Engineering and Accounts** into one market-sizing view for a fast-growing semiconductor segment, the cross-functional alignment a founder's-office seat is built on.
- **Carries P&L and revenue targets** while building forecasting and value-based pricing models across multiple product groups.
- **Works closely with leadership** on high-priority initiatives, running the OKR cadence and decks behind weekly and quarterly business reviews.
- **Automates repetitive research** and synthesis with AI agents built on Claude, freeing time for the relationship work that cannot be automated.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- **Built and ran the Bleeders and Leakers program** end to end, turning a flagged opportunity into a negotiated outcome and recovering $700K+ in margin in 2 quarters.
- **Raised distributor and channel-partner margins** from 53% to 61% by rebuilding the commercial relationship with each partner account, not just the price sheet.
- **Shaped AP26 revenue models** and site-transition strategy for a global, multi-$100M pricing organization, directly with senior executives, turning an executive priority into a plan the business could execute against.
- **Tracked 1,200 pricing opportunities** against a $627M target across 3 regions and 20 product lines in a Power BI system, giving leadership one place to see where the pipeline was leaking.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- **Owned GTM** for new sensing products across North America and Europe: positioning, channel partners and launch, driving $2M+ in first-year revenue.
- **Delivered a 100+ feature roadmap** with Engineering across 3 regions, the cross-functional execution a partnerships engine needs to actually ship.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- **Presented budget plans and forecasts** to the leadership team for approval, then owned $100K/month in spend across multiple business units.
- **Hired and managed a marketing team**, building the operating discipline a scaling partnerships function runs on.

Customer Success Manager, Pixis (AI Platform) Jul 2021 - Sep 2022

- **Cut client churn 50%** by hiring and managing an 8-person team running 8 client accounts, carrying P&L targets.
- **Built leadership decks** and ran OKR reviews (weekly and quarterly), reporting recommendations directly to senior management.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- **Connected regional, localization and analytics teams** as the main liaison, keeping cross-functional execution aligned across markets.

PROJECTS

SwipeHire

- **Shipped an AI job-matching platform** zero-to-one (Python, OpenAI API, React) with no team to hand off to: wrote the PRD, scoped the MVP and got it to 50+ early users.
- **Hired and managed the team**, ran board decks and OKR reviews, and crafted positioning from competitor teardowns, exercising full founder discretion over what shipped.
