EXPERIENCE

Founder & CEO, PriceKeel May 2026 - Present

- Launched PriceKeel's **go-to-market from zero** as its sole founder: owns pricing, positioning and the first customer conversations for a B2B SaaS deal-pricing company with no existing playbook to copy.
- Runs the company's **CRM, CPQ, forecast and pipeline reviews**, and deal approvals, the GTM infrastructure a Founder's Office is expected to stand up before a team exists to hand it to.
- Raises the company's **first round directly with investors** while running pilots with early customers, preparing every investor update and board-ready material the round depends on.

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Turns **Sales, Engineering and Accounts** input into one GTM-ready market view for a fast-growing semiconductor segment, the cross-functional problem a Founder's Office solves with no shared owner.
- Builds **competitive, value-based pricing** and forecasting models across multiple product groups, timing go-to-market moves to demand inflection points.
- Carries **P&L and revenue targets** for the role while running the OKR cadence behind weekly and quarterly business reviews.
- Automates repetitive analysis with **AI agents built on Claude**, cutting manual synthesis time out of a recurring reporting cycle.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Shaped **AP26 revenue models and site-transition strategy** directly with senior executives for the Industrial BU, a multi-$100M business, carrying P&L and revenue targets.
- Ranked **1,200 pricing opportunities against a $627M target** across 3 regions and 20 product lines in the FY2026 Bleeders and Leakers Power BI dashboard, surfacing where leadership should act first.
- Recovered **$700K+ in margin in 2 quarters** negotiating directly on competitive gaps and customer willingness to pay, raising distributor and channel-partner margins from 53% to 61%.
- Ran **OKRs and leadership decks** across weekly and quarterly business reviews; promoted from Product & Growth Marketing to Pricing Lead in 10 months.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Built the **go-to-market for new sensing products** across North America and Europe end to end (positioning, pricing, channel, launch), driving $2M+ in first-year revenue.
- Coordinated a **100+ feature backlog with Engineering** across 3 regions in Agile, the cross-functional roadmap work a Founder's Office is asked to own with no single function in charge.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Hired and managed **marketing team members**, then built the plans and forecasts presented to the leadership team for budget approval.
