EXPERIENCE

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Sizes **the semiconductor market** by partnering directly with Sales, Engineering and Accounts, turning scattered field input into one strategic view.
- Builds **competitive, value-based pricing** for a fast-growing market, forecasting inflection points across multiple product groups.
- Automates **recurring market and competitive analysis** with AI tools and agents built on Claude, sharpening the judgment calls a fast-moving GTM plan needs.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Owned **end-to-end GTM strategy** (positioning, pricing, channel, launch) for new sensing products built from scratch across North America and Europe, driving $2M+ first-year revenue.
- Cut **jargon from technical sensor features** and rebuilt positioning around buyer value, holding one coherent story across multiple launches and lifting conversion 15%.
- Ran **30+ structured interviews** with OEMs and distributors to ground positioning in direct customer feedback instead of internal assumptions, raising CSAT 22%.
- Coordinated **cross-functional sales enablement**, arming 50+ reps with battlecards and case studies for live launches, lifting win rates 30%.
- Repositioned **messaging for a shifting market** by tracking competitor moves and share across EMEA and the US, keeping the launch narrative current.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Sized **a revenue opportunity** from competitive benchmarking across 10+ players, turning the analysis into a price-realignment call that drove +12% YoY revenue and +8% market share.
- Closed **multimillion-dollar customer quotes** alongside senior executives, turning competitive and customer insight into deal-level calls.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Shipped **$100K/month campaign launches** on 70% of the information, adjusting weekly across multiple business units instead of waiting for perfect research.
- Turned **customer research** into fast messaging and channel changes, lifting conversion 20% and cutting CPA 15%.
- Raised **organic search visibility 35%** by closing keyword-strategy gaps and building SEO partnerships.

Customer Success, Pixis (AI Platform) Jul 2021 - Sep 2022

- Built **vertical playbooks and account strategy** across an 8-client, $15K-$90K/month portfolio, cutting client churn 50%.
- Kept **enterprise case studies** and sales materials current across international, non-English markets, improving sales team performance 20%.
- Sequenced **retail media (Amazon Ads, Criteo) and iOS app UA (Appsflyer, Adjust)** across the same portfolio to match each channel to its stage in the buying journey.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Delivered **16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds.
- Liaised **between regional marketing, localization and analytics teams**, turning market research into go-to-market input.

PROJECTS

SwipeHire

- Shipped **an AI job-matching platform** zero-to-one (Python, OpenAI API, React), owning positioning, messaging and GTM strategy with no existing playbook to inherit.
- Ran **competitor teardowns** (Jobright and others) to define ICP and positioning, then modeled 3 subscription pricing tiers from willingness-to-pay research.
- Built **the GTM analytics stack** (GA4, GTM, funnel dashboards), running 8+ A/B tests and 12+ user interviews that lifted activation 25%.
