SUMMARY

Performance marketer who **cut CPA 25%** running paid acquisition day-to-day, not from an agency brief. At Plug Power that meant $100K/month budgets across Google, Microsoft and Meta; at Pixis it meant **3x ROAS in a month** for a D2C account across an 8-client, $15K-$90K/month portfolio. Builds landing pages and reporting workflows with AI agents on Claude at Applied Materials, and is ready to bring that day-to-day ownership to Top Nutrition Coaching (TNC)'s health and wellness paid acquisition: CAC, funnel conversion and attribution for medical nutrition and mental wellness care, not CPM trends.
