EXPERIENCE

Strategic Marketing III, Applied Materials

Jun 2026 - Present

- Automates **recurring market and competitive analysis** with AI agents built on Claude, integrating AI tools into the research workflow for measurable efficiency gains instead of rebuilding the same report by hand.
- Shapes **semiconductor market strategy** across a complex, global product ecosystem in partnership with Sales, Engineering and Accounts, turning field and customer input into one market view.
- Builds **value-based pricing and forecasting models** across multiple product groups, carrying P&L targets and briefing leadership on demand inflection points.

Product Marketing, Sensata Technologies

Sep 2024 - Jun 2025

- Shaped **go-to-market strategy and positioning** for new sensing product launches across North America and Europe, aligning goals, metrics and launch plans with Product, Engineering and Sales, driving \$2M+ first-year revenue.
- Grounded every launch in **consumer-driven insight**: ran 30+ structured interviews with OEM and distributor buyers, turning findings into buyer-ready positioning that lifted conversion 15% and CSAT 22%.
- Armed **50+ field reps** with sales enablement built from that research, improving win rates 30%.

Pricing Lead, Sensata Technologies

Jul 2025 - May 2026

- Drove **+12% YoY revenue and +8% market share** through price realignment informed by competitive benchmarking across 10+ key players, briefing executive leadership each quarter.
- Built **multimillion-dollar customer quotes** with senior executives on AP26 revenue models, partnering across Sales and Finance on deal strategy.

Digital Marketing Manager, Plug Power

Oct 2022 - Jul 2023

- Led **consumer-facing paid search and paid social campaigns** across Google Ads, Microsoft Ads, Meta and LinkedIn on \$100K/month budgets, cutting CPA 25% through bid and creative testing.
- Presented **customer-research findings and media forecasts** to the leadership team for budget approval, lifting conversion 20% and cutting CPA a further 15%.
- Raised **organic search visibility 35%** by closing keyword-strategy gaps and building SEO partnerships that drove long-term awareness.

Customer Success Manager, Pixis (AI Platform)

Jul 2021 - Sep 2022

- Ran an **8-person team across 8 D2C client portfolios** with per-client media budgets of \$15K-\$90K/month, cutting churn 50% through proactive account strategy and vertical playbooks.
- Delivered a **3x ROAS month for a flagship fashion brand** via full-funnel restructuring: feed cleanup, smart bidding, creative refresh and lookalike expansion.
- Used **Amplitude and Tableau** on consumer behavior across 30+ campaigns, lifting ROAS 40% and feeding voice-of-customer signal back to product teams.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 - Jun 2021

- Delivered **16x ROAS for D2C e-commerce brands** by rebuilding Google Merchant Center and Meta catalog feeds, liaising across regional marketing, localization and analytics teams.

PROJECTS

SwipeHire (2023)

- Shipped an **AI job-matching platform** (Python, OpenAI API, React) zero-to-one: wrote the PRD, scoped the MVP, built eligibility-aware matching and auto-tailored resumes; defined ICP and positioning and onboarded 50+ early users.
