EXPERIENCE

Strategic Marketing III, Applied Materials

Jun 2026 - Present

- Partners with Sales, Engineering and Accounts to size the **semiconductor market**, turning technical and field input into one strategic narrative before it reaches customers.
- Writes **competitive, value-based pricing** content and forecasts market inflection points across multiple product groups, keeping messaging current for a technical buyer.
- Automates repetitive research and content prep with **AI agents built on Claude**, carrying P&L and revenue targets into weekly and quarterly business reviews.

Product & Growth Marketing, Sensata Technologies

Sep 2024 - Jun 2025

- Wrote the **positioning and messaging** that turned technical specs into customer-facing value propositions, lifting conversion 15% on priority launches.
- Produced **sales decks and case studies** for 50+ reps, consolidating five versions of the pitch into one and raising win rates 30%.
- Owned **GTM content** for new sensing products across North America and Europe, positioning through channel collateral and driving \$2M+ in first-year revenue.
- Built **launch campaigns** across email and paid channels around one consistent story from ad copy to landing page, generating +35% qualified leads.
- Ran **competitive and customer analysis** across EMEA and the US, translating findings into content and messaging updates that kept positioning sharp.

Pricing Lead, Sensata Technologies

Jul 2025 - May 2026

- Drove **+12% YoY revenue and +8% market share** through price-realignment decisions built on competitive benchmarking across 10+ players.
- Built **leadership decks and pricing narratives** for multimillion-dollar customer quotes, partnering with senior executives on revenue models and site-transition strategy.

Digital Marketing Manager, Plug Power

Oct 2022 - Jul 2023

- Owned **\$100K/month marketing budgets** across multiple business units, building the plans and forecasts presented to the leadership team for approval.
- Turned **customer research** into campaign and messaging content, lifting conversion 20% and cutting CPA 15%.
- Closed **keyword-strategy gaps** and automated the WordPress and Pardot lead flow, raising organic search visibility 35% and cutting cost per lead 50%.

Customer Success Manager, Pixis (AI Platform)

Jul 2021 - Sep 2022

- Cut **client churn 50%** across an 8-person team managing 8 accounts (\$15K-\$90K/month spend each) through proactive account strategy and vertical playbooks.
- Kept **enterprise case studies and sales materials current**, supporting a 20% improvement in sales team performance.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 - Jun 2021

- Delivered **16x ROAS** for D2C e-commerce brands by rebuilding Google Merchant Center and Meta catalog feeds, then ran SEO site audits as main liaison to regional marketing and analytics teams.

PROJECTS

SwipeHire

- Wrote **positioning and launch content** for an AI job-matching platform built zero-to-one (Python, OpenAI API, React), running competitor teardowns to sharpen messaging for 50+ early users.
