EXPERIENCE

Founder & CEO, PriceKeel

May 2026 - Present

- Set up and runs the company's **CRM and CPQ configuration**, including deal approvals and forecast/pipeline reviews, the same systems ownership this role holds over division bookings, order holds and backlog data.
- Built the **audit trail** that gives Finance an explainable record behind every pricing exception, the same reconciliation discipline this role applies to bookings snapshots and shipment revenue recognition.

Strategic Marketing III, Applied Materials

Jun 2026 - Present

- Sizes the **semiconductor market** with Sales, Engineering and Accounts, turning field and factory input into one view, the same cross-functional interfacing this role runs across Divisional Sales, Finance, Master Schedulers and Engineering.
- Builds **forecasting and market-sizing models** across multiple product groups and runs OKRs with weekly and quarterly business reviews, the same quarter-end cadence this role supports during peak fiscal periods.
- Automates repetitive analysis work with **AI agents built on Claude**, carrying P&L and revenue targets for a global semiconductor equipment business.

Pricing Lead, Sensata Technologies

Jul 2025 - May 2026

- Reconciled **1,200 bookings and pricing opportunities against a \$627M target** across 3 regions, 4 product families and 20 product lines in the FY2026 Bleeders and Leakers Power BI dashboard, generating reports leadership used to prioritize action by salesperson and product line.
- Recovered **\$700K+ in margin in 2 quarters** by reviewing quotes and prior order terms deal by deal, the same order-inquiry and quote-management judgment this role applies daily.
- Raised **distributor and channel-partner margins from 53% to 61%** in under 2 quarters by repricing parts sold through distribution and reconciling the resulting backlog.
- Built **AP26 revenue models** and site-transition strategies with senior executives, plus multimillion-dollar customer quotes, working complex analytical problems across a global, multi-region business.

Product & Growth Marketing, Sensata Technologies

Sep 2024 - Jun 2025

- Coordinated **GTM timing for new sensing products** across North America and Europe with Engineering and regional sales teams, driving \$2M+ first-year revenue.
- Designed **KPI frameworks in SQL and GA4** across 50K+ connected industrial devices, the same data-reconciliation habit this role applies to bookings and backlog reporting.

Digital Marketing Manager, Plug Power

Oct 2022 - Jul 2023

- Presented **marketing budgets of \$100K/month** across multiple business units to leadership for quarterly approval, building the plans and forecasts behind them.
- Automated the **Mar-Tech stack** (Salesforce, Adobe Analytics, GA, Google Tag Manager) for closed-loop, cross-system reporting.
- Owned **keyword research and bid strategy** across omni-channel campaigns, reconciling weekly spend against budget and cutting wasted spend 15%.

Customer Success Manager, Pixis (AI Platform)

Jul 2021 - Sep 2022

- Carried **P&L and revenue targets** managing an 8-person team across 8 client accounts with per-client budgets of \$15K-\$90K/month in a global, non-English-market environment.

Senior Digital Marketing Analyst, GenY Medium

Jan 2020 - Jun 2021

- Ran **database audits** and built reporting dashboards, improving data accessibility 30% for regional teams.
- Acted as the main liaison for **regional reporting** between localization and analytics teams.

PROJECTS

Database Reporting & Workforce Analytics (SQL)

- Designed and executed **SQL queries** against employee datasets to extract headcount, attrition and performance metrics, the same database and Excel reporting habit this role applies to bookings, order and backlog data.
