EXPERIENCE

Founder & CEO, PriceKeel May 2026 - Present

- Founded **PriceKeel**, a decision-integrity layer for B2B SaaS deal pricing, building the product, running early customer pilots and raising its first round from investors.
- Designed the **guardrail engine and audit trail** that give Finance evidence for every pricing decision, the same research-to-decision work a CEO's Office runs across Sales and Finance stakeholders.
- Set up and run the company's **CRM, CPQ, forecast and pipeline reviews, and deal approvals**, the ad-hoc problem-solving and process ownership a Founder's Office carries end to end.

Strategic Marketing III, Applied Materials Jun 2026 - Present

- Sized the **semiconductor market** by turning field input from Sales, Engineering and Accounts into one view for leadership, the cross-functional research base any special-projects brief needs.
- Built **competitive, value-based pricing** and forecast its inflection points across multiple product groups, carrying P&L and revenue targets for the role.
- Run **OKRs with weekly and quarterly business reviews**, building the leadership decks that track progress on every initiative for stakeholders.
- Automate **repetitive analysis with AI agents built on Claude**, freeing hours for the judgment calls a strategy review still needs.

Pricing Lead, Sensata Technologies Jul 2025 - May 2026

- Modeled **AP26 revenue scenarios and site transition strategy** with senior executives, translating multimillion-dollar customer quotes into one leadership-ready plan.
- Led the **Bleeders and Leakers program** that recovered $700K+ in margin in 2 quarters, diagnosing the gap with competitive pricing research and documented willingness to pay.
- Built **leadership decks** and ran OKRs with weekly and quarterly business reviews across 3 regions and 20 product lines, the operating cadence a CEO's Office runs for every initiative.
- Earned **promotion from Product & Growth Marketing to Pricing Lead in 10 months** after raising distributor and channel-partner margins from 53% to 61%.

Product & Growth Marketing, Sensata Technologies Sep 2024 - Jun 2025

- Owned **GTM for new sensing products** across North America and Europe, driving $2M+ first-year revenue through positioning, pricing and channel decisions.
- Defined and executed the **product roadmap** with engineering across 3 regions, coordinating a 100+ feature backlog the way cross-department execution gets tracked and reported.

Digital Marketing Manager, Plug Power Oct 2022 - Jul 2023

- Hired and managed **marketing team members** while owning $100K/month budgets across multiple business units, building the plans presented to the leadership team for approval.
- Presented **leadership decks** and ran OKRs with weekly and quarterly reviews, the reporting cadence that keeps a leadership team current on every initiative.

Customer Success, Pixis (AI Platform) Jul 2021 - Sep 2022

- Hired and managed an **8-person team** carrying P&L and revenue targets across 8 clients, cutting churn 50% through proactive account strategy.
- Reported **recommendations to senior management** through leadership decks and OKR reviews every quarter, feeding customer insight back into product.

Senior Digital Marketing Analyst, GenY Medium Jan 2020 - Jun 2021

- Connected **regional marketing, localization and analytics teams** as the team's main liaison, coordinating handoffs and keeping every initiative moving across time zones.

PROJECTS

Safran Market Sizing & GTM (Simon Vision Consulting)

- Led **a 5-consultant team** through Safran's market-entry strategy, sizing TAM/SAM/SOM from 170 facilities to a SAM of 28 and presenting the findings to Safran's leadership.
